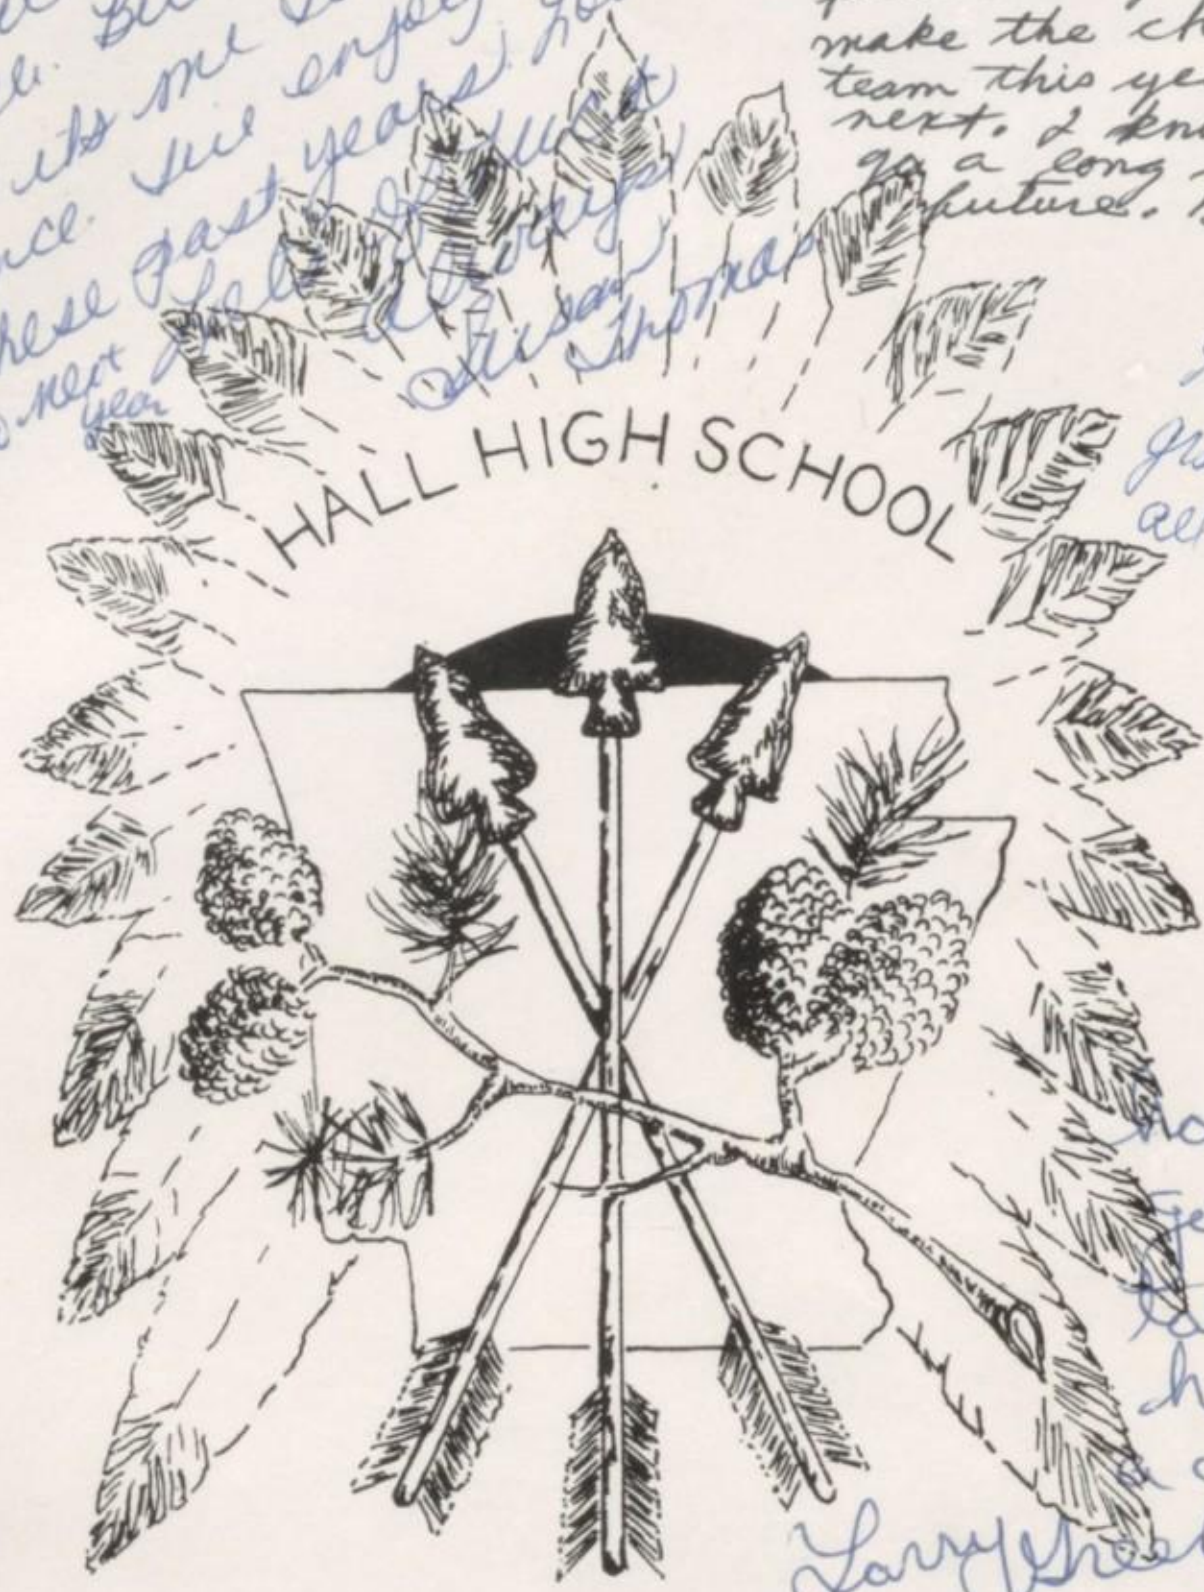
1962 WARRIOR



1962 Warrior

Hall High School
Little Rock, Arkansas

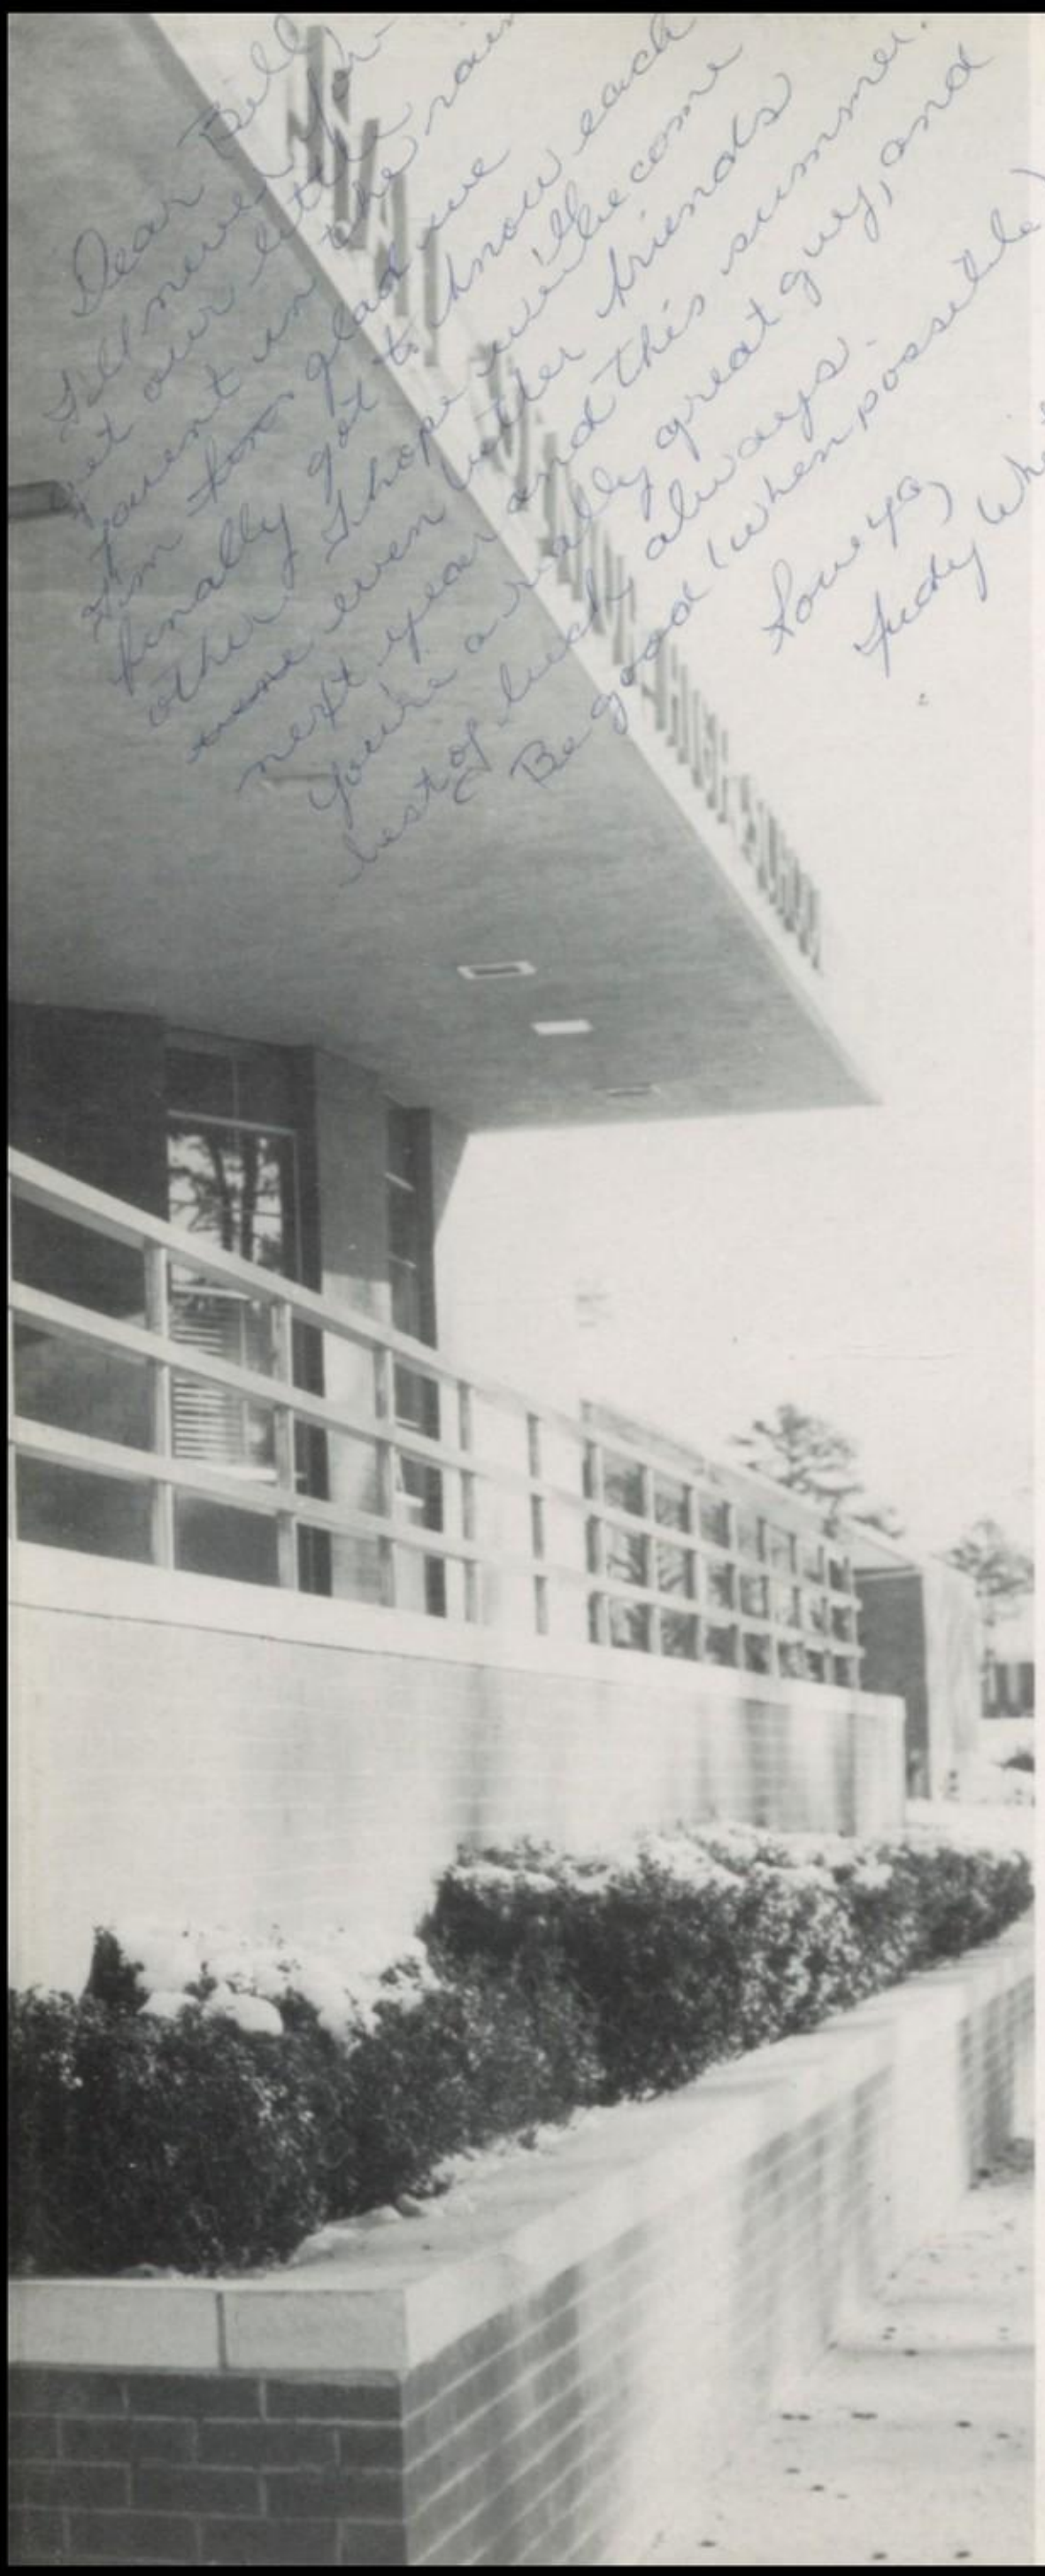
Bill,
I'm sorry such a neat picture made with you. But everybody thinks its me so what's the difference. See you enjoyed knowing you these past years. Looking forward to next Year

Bill,
You're really a great guy who I have grown to like as one of my best friends. You and I didn't make the church basketball team this year but maybe next. I know you will go a long way in the future. Best wishes.
Dennis Mills

Lots of luck to a great fellow Baptist. All Baptist are great.
John Hicks

Bill,
I am glad to have met you this year & hope we will be better friends in the years to come.
Best of luck to a good guy,
(Shake for the Boys)
Larry Green

William,
Since you have started coming to our Tabernacle, you have to be a good Baptist.
Bill,
Haven't we had a great time taking our English tests this year? Seriously you're a great guy and it's been a lot of fun knowing you! I sure hope our friendship continues. Hope we have some classes next year... our big SENIOR year so we can go on driving our teachers crazy.
Love ya,
Pam



Foreword

THESE I HAVE LOVED—

the friendly interest and helpful counsel of our faculty and administration . . .

the often serious, more often carefree members of the senior class . . .

the betwixt-and-between juniors, looking back condescendingly and looking ahead eagerly . . .

the enthusiastic and exuberant sophomores who are just beginning their years at Hall . . .

THESE TOO I HAVE LOVED—

the stimulation of day-to-day classroom procedures . . .

the demanding yet satisfying activities of our clubs and organizations . . .

the glamor of the extras that make the school year unforgettable . . .

the blend of instruments and voices in "A Pledge to Hall" . . .

the excitement as our athletic teams provide thrill upon thrill . . .

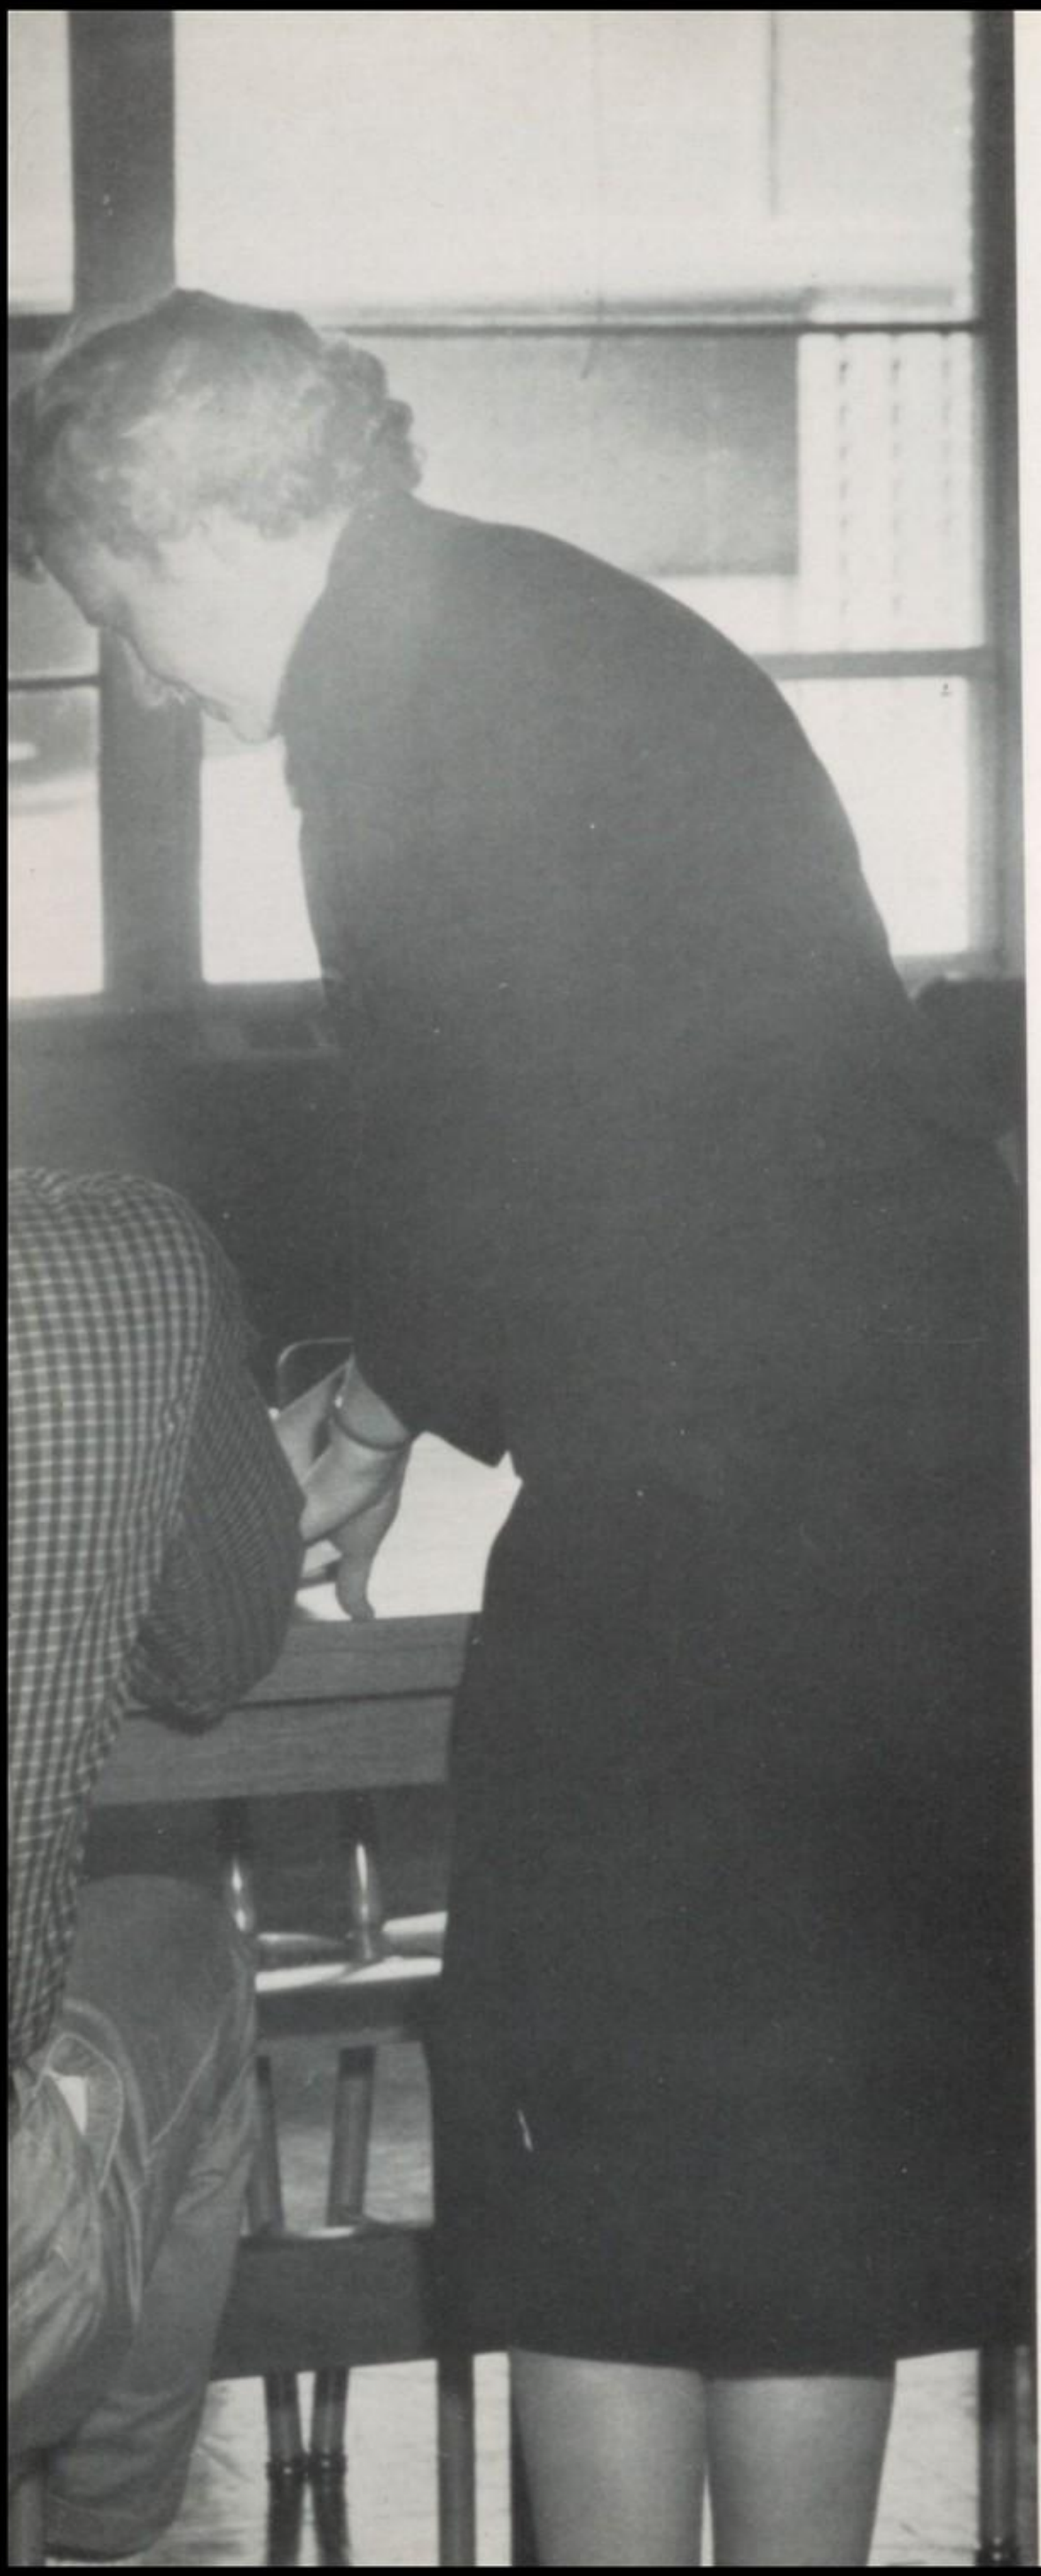
All these we have loved, and shared, and treasured. May they live always for you through the pages of the 1962 *Warrior*.

Linda Whiteside

Editor-in-Chief

Welcome Home, Mr. Powell

For nearly three years we shared you with the entire Little Rock school district. Now we're delighted to have you back with us. And, because of your enthusiasm for and devotion to everything that is Hall's, we wish to dedicate the 1962 WARRIOR to you.



"the friendly interest and helpful counsel of our faculty and administration . . ."

Faculty and Administration

Hall High School and Little Rock are fortunate in having capable and dedicated administrators and teachers. That they are capable is shown by the number of advanced degrees held in their respective fields. More than half of Hall's faculty members hold master's degrees, and many more have done graduate work. That they are dedicated is illustrated through the extremely small number of administrators and teachers who leave Hall and Little Rock for other positions. One of the major changes in Little Rock's school system occurred this year when Mr. Floyd W. Parsons became the new superintendent. Hall students and teachers welcome this change, not only because we like Mr. Parsons, but also because Mr. Terrell E. Powell returned to Hall as principal.

Hall students are grateful for a faculty that does its best to provide a broad program of studies in an atmosphere of friendly respect.

Seniors

Leading the school with outstanding performances in the classroom, on the athletic field, and in community life, the seniors have done a great deal of which Hall may be proud. The class of '62 is the largest senior class in Hall's history and the first to complete three full years at Hall.

The many things the seniors have done together, from the first time they pushed their way down the hall to the time they don caps and gowns, will never be forgotten. College Boards, the senior play, Prom night, and graduation will all be remembered for years to come.

Although the seniors will scatter all over the world after graduation, the friendships and happy times they shared at Hall will remain in the memory of each student.

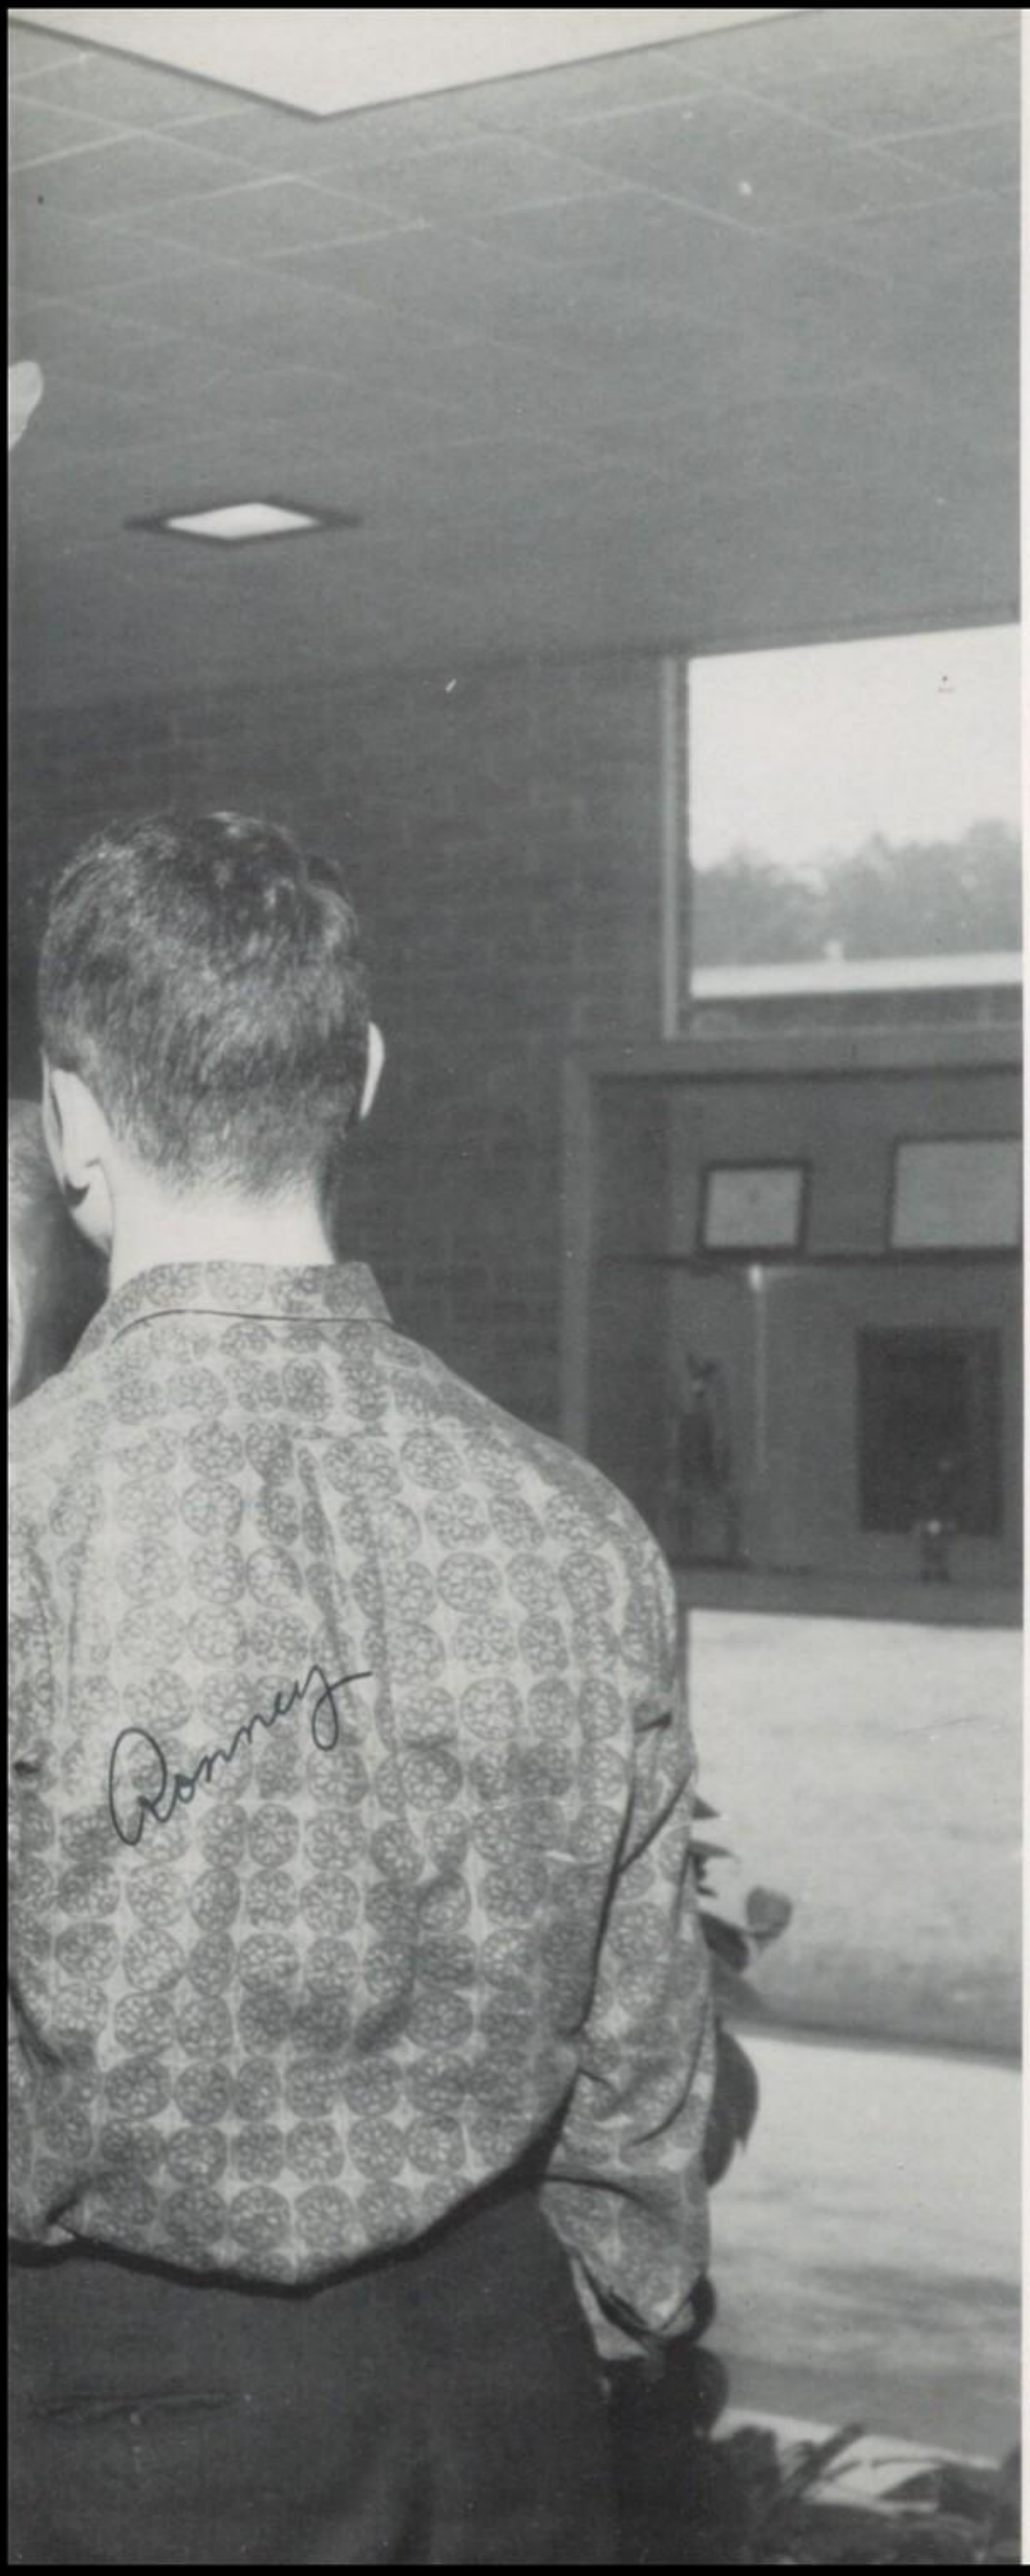
Football heroes — past, present, and future.

Bill,
We have really had fun in English this year. Without your remarks, puns & funny (remarks) it wouldn't have been the same. You are a wonderful guy with a fabulous personality. Good Luck
Love,
Pat



"The betwixt and between juniors, looking back condescendingly and looking ahead eagerly . . ."

Juniors

Familiar with the traditions of Hall, the class of '63 has formed the bridge between the unacquainted sophomores and the often preoccupied seniors. The juniors' wholehearted support of school activities has provided the necessary spark to kindle Warrior spirits.

The junior year contains many exciting and unforgettable occasions. From the first day of school, every junior anticipates the arrival of senior rings. There are numerous other long awaited events, including cheerleading and Cheero-kee try-outs, the selection of representatives to Girls' State and Boys' State, the election of student body officers, the National Honor Society induction, the presentation of Harvard and Vassar Book Awards, and the announcements of the coming year's choir members and WARRIOR staff. These occasions, combined with many others, make a memorable junior year.

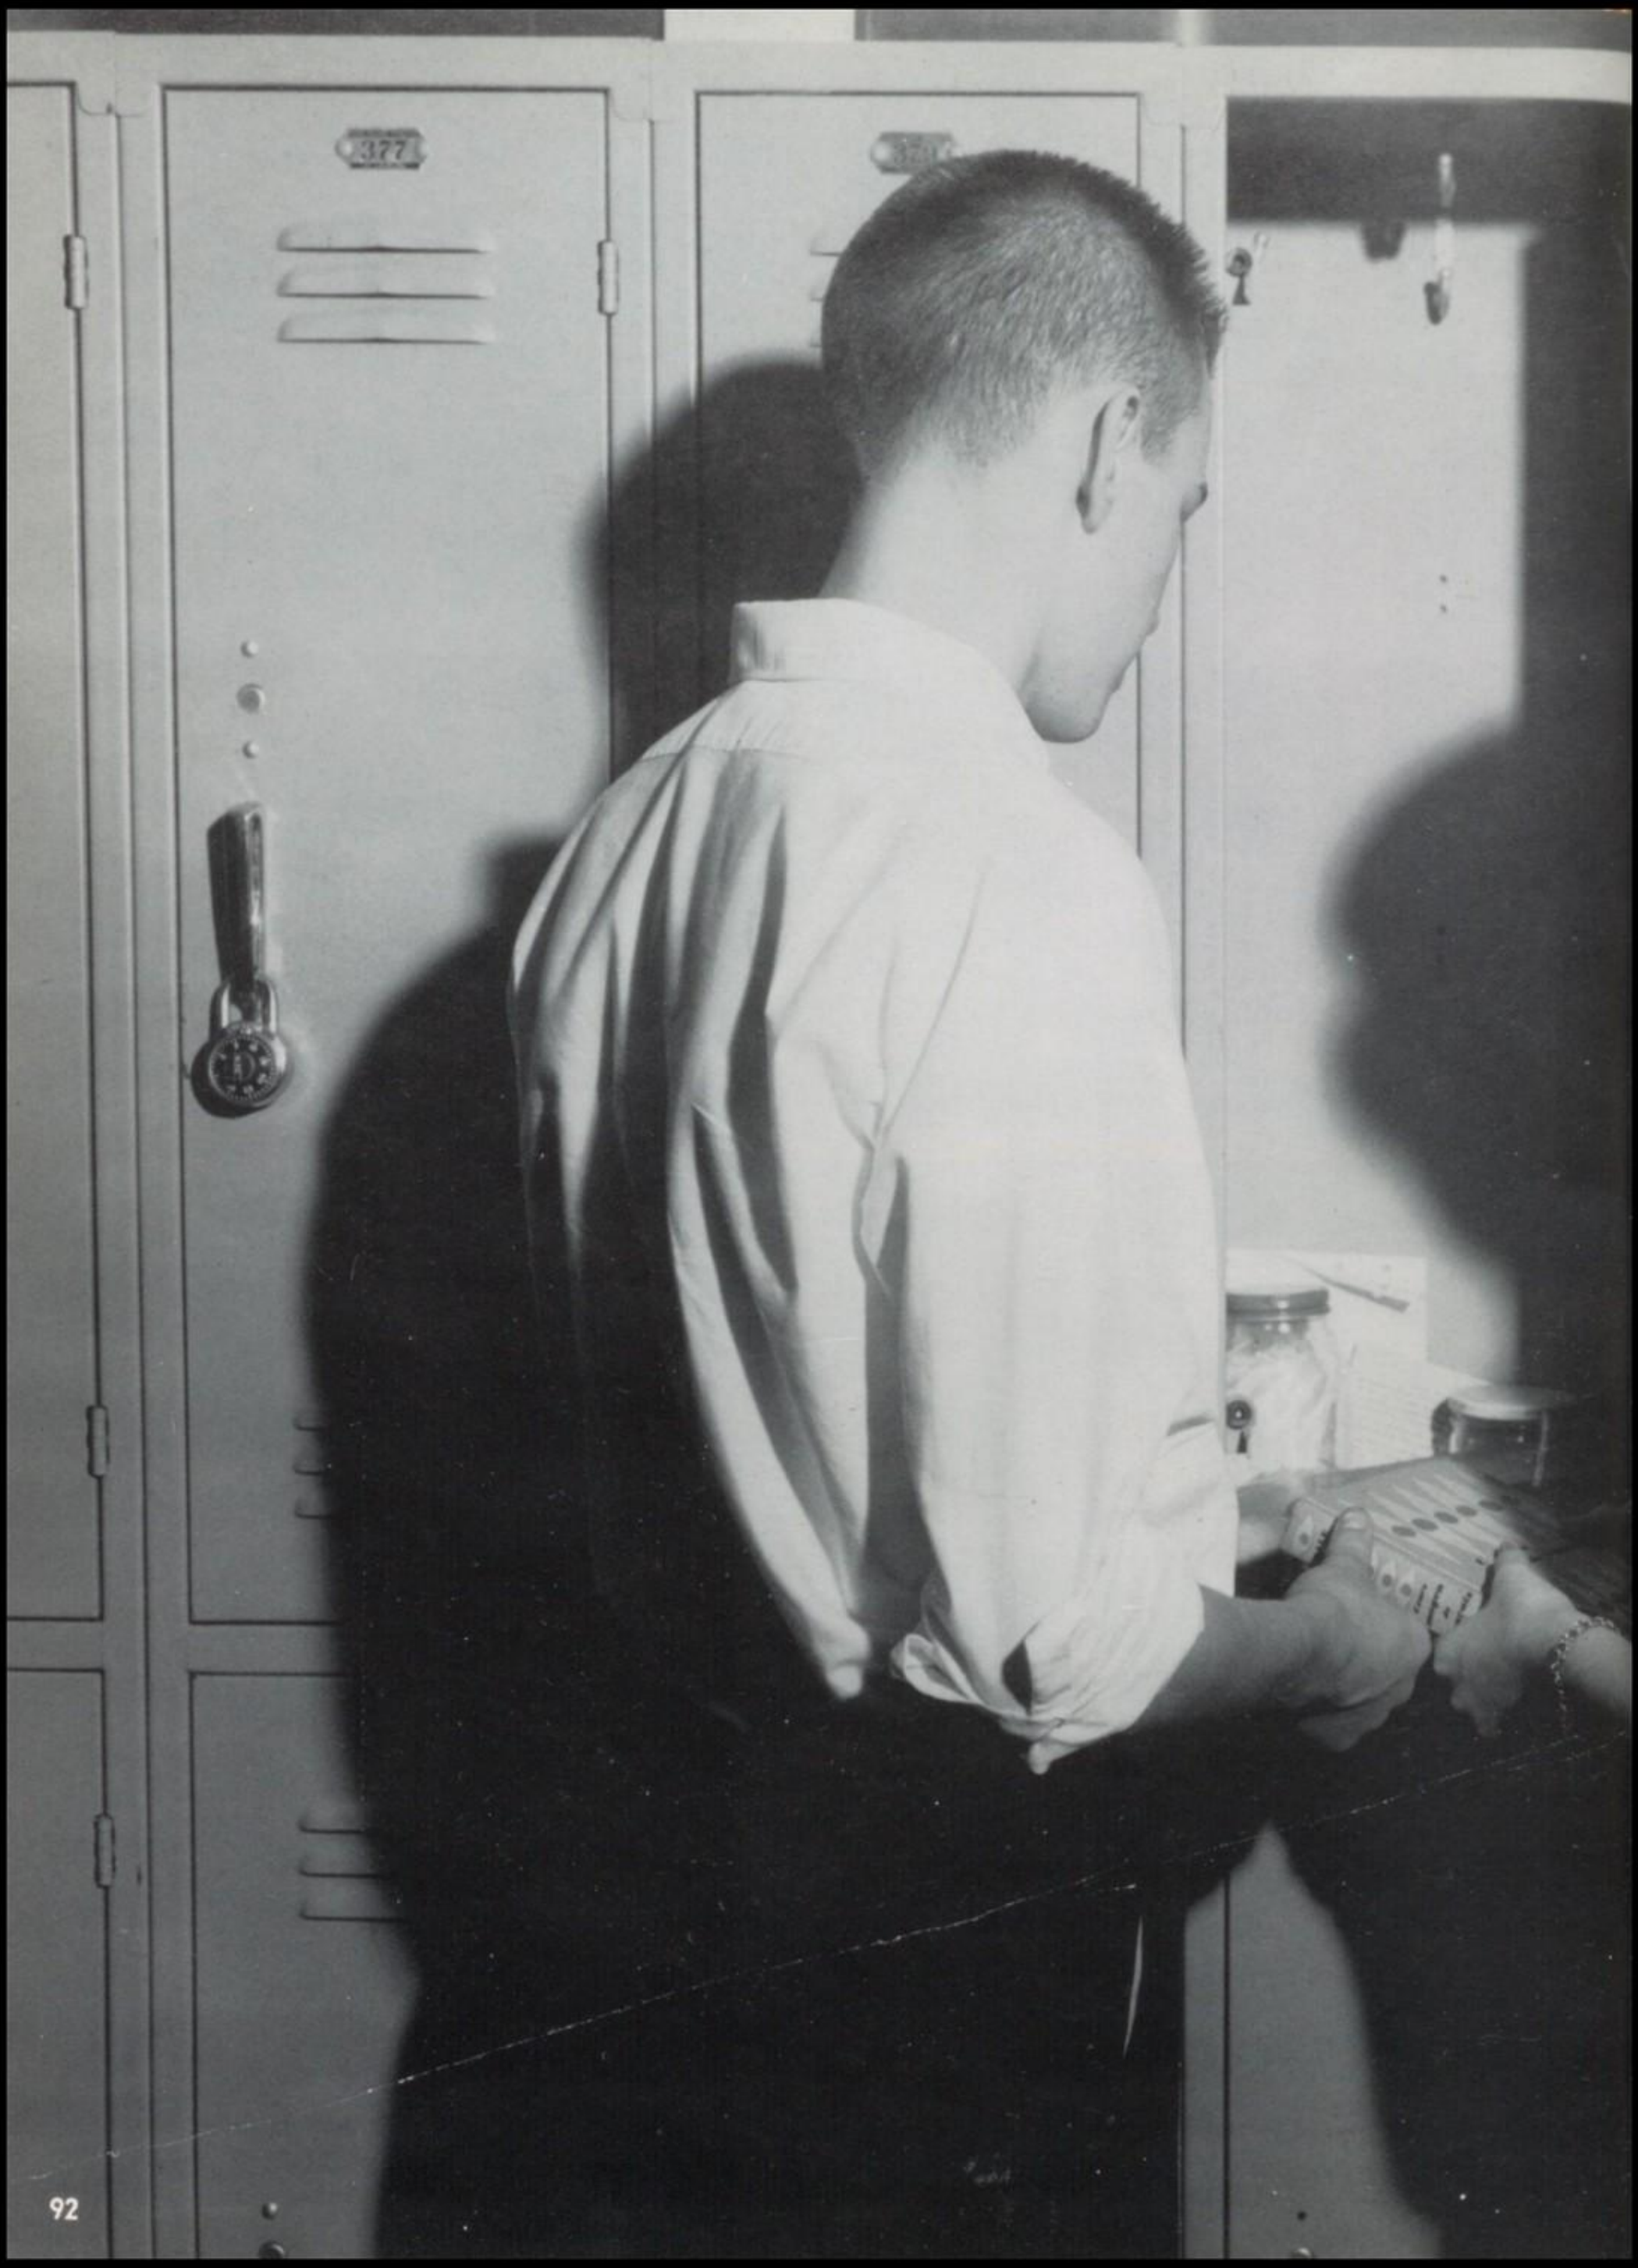
Behind every great man . . .



377

"the enthusiastic and exuberant sophomores who are just beginning their years at Hall . . ."

Sophomores

Baffled and bewildered, but eager to become a part of things, the sophomores descended upon us in September. This largest class in Hall's history immediately was initiated into the many activities, with a spirited election for sophomore Student Council representative. Then came the frequent sophomore assemblies and the numerous tests, ranging from scholastic aptitude to tuberculin skin tests. These things, together with the complete domination by the female members of the sophomore class of the male members of the senior class, marked the beginning of three glorious years at Hall. After the initial period of adjustment, this class of '64 became a part of the school, and instead of being just sophomores, became Warriors.

"the stimulation of day-to-day classroom procedures . . ."

Activities

The first speech in Mrs. Metcalf's class, the fifteen hundred word term theme in senior English, the bug collection in sophomore biology—these are some of the class projects we could not forget even if we tried. The tension and strain of preparing these projects so vital to our grades cause many a headache, and upon completion lengthy sighs of relief are audible. Yet the satisfaction of a job well-done is worth all the effort and worry.

These extra undertakings, however, are the exception rather than the rule. Classroom activity really lies in the routine of discussions, explanations, and tests. Although they may not constitute the most exciting memories of our high school days, we receive the major part of our education in the day-to-day classroom procedures.

English

In a world of rising competition one of the qualities most necessary for success is a workable knowledge of the English language. Every student at Hall has the opportunity to acquire this knowledge. During his three years of study, a Hall student encounters all phases of English, from the everyday fundamentals of spelling and grammar to the appreciation of higher literature. Advanced students in each grade are given the opportunity to participate in honors classes. Mrs. Aileen Henderson heads the English department.

Oh say can you see?

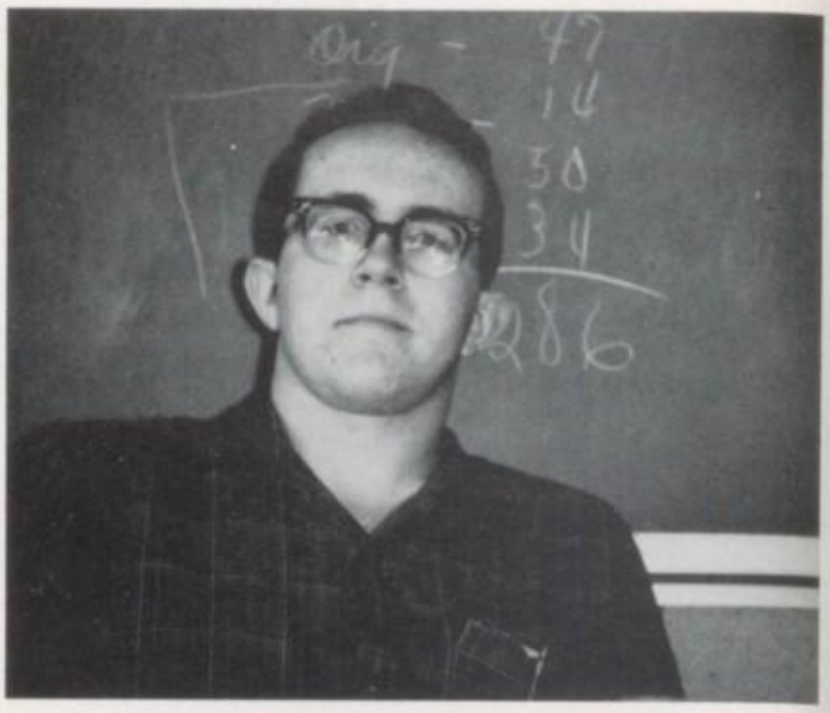
Mathematics

The study of mathematics includes more than learning the mechanics of working problems. Math increases one's ability to think and reason clearly. Waterloo for some and haven for others, Hall's math courses include plane geometry, Algebra I, Algebra II, applied math, advanced algebra, and trigonometry. Honors classes are offered on each grade level. Mrs. Estelle White heads the math department.



May I help you?

Mrs. Bethell works hard.

Miss Lescher supervises.

• By stimulating intellectual curiosity, the study of science leads to the discovery of new horizons. Hall's science department is divided into the studies of biology, physics, chemistry, and college biology. Honors courses are offered in biology and chemistry. A science fair, held in the spring, gives every science student the chance to demonstrate the knowledge he has accumulated over the year. Mr. Robert Berry heads the science department.

Languages

Because of the emphasis placed on inter-national relations today, the ability to communicate and understand is becoming increasingly important. A student at Hall is presented with ample opportunity to acquaint himself with the languages and cultures of other nations. Latin, Spanish, and French are the languages offered at Hall. Miss Frances Moore is the head of the language department.

Social Science

To present a knowledge of past cultures and problems as well as past and present governmental procedures—these are the objectives of the Hall High Social Science department. World History, American History, Latin American History, and American and Arkansas Government are the courses offered in this department. Miss Laura Pederson heads Hall's Social Science department.

Speech and Drama

The students who participate in speech and drama classes provide entertainment for the entire student body. This department offers courses in speech, public speaking, drama, and speech-drama. During the year the speech classes tell stories to elementary school children and participate in the state speech festival. One-act plays and the senior play are the responsibility of the drama classes. Public speaking students take part in debate tournaments. Mrs. Marguerite Metcalf heads the speech department.

Journalism

The flashing of the camera, the tapping of the typewriter, the rushing to make deadline—these are among the tell-tale signs of a *War Whoop* in the making. The newspaper, published bi-weekly, is entirely the work of the journalism class. Creative writing, headline writing, and public relations are some of the principles of good journalism which are taught at Hall. Mrs. Marian Hulsey teaches journalism.

Commercial

Commercial courses familiarize students with equipment, practices, and procedures pertaining to the business world. The commercial department offers courses in Typing 1 and 11, bookkeeping, commercial law, business machines, and consumer education. Business students assist members of the faculty with typing and mimeographing. Mrs. Nadine Marcum is department head.

Art

The posters which appear throughout the school announcing various events are the work of the art department, one of the busiest departments in the school. Basic art, poster design, watercolor, and advanced painting are the art courses offered. Art students submit cover designs for the student directory, the *Inkwell,* and the *Warrior*. Original art work is often on display around the school. Mrs. Lucile Barnett heads the art department.

Hall High artists at work.

Homemaking

The objective of the homemaking department is to teach the skills of efficient homemaking. Cooking and sewing are the chief interests in this class learning by experience is the byword. Each year the girls give a tea, serve at the PTA open house, and during the Christmas season make gifts and decorations. The head of the homemaking department is Mrs. Selma Wooley.

Industrial Arts

In Hall's industrial arts department, future do-it-yourselfers acquire skills that will stand them in good stead for many years. Boys are given the opportunity to learn the basic principles of woodworking, metalcraft, and mechanical drawing. Mr. F. M. Dorsey teaches the industrial arts courses.

Question: What's that?

Mr. Dorsey explains.

Boys' Physical Education

All boys at Hall are required to participate in three years of physical education. The gym classes engage in such activities as football, volleyball, basketball, tumbling, softball, track, and calisthenics. The coaching staff consists of Coaches Ray Peters, C. W. Keopple, Gene Hooks, and Bob Sullenger.

Girls' Physical Education

The objectives of the physical education department are to develop coordination and posture and to teach sportsmanship. Volleyball, badminton, basketball, modern dance, and exercises are among the activities of the girls' gym classes. Three years of physical education are required for graduation from Hall. Mrs. Betty Baird heads the department.

Guidance

Miss Minnie Lee Mayhan, the guidance counselor, has the task of helping Hall's college-bound seniors to select their schools. Interviewing students, administering tests, and completing college applications also fill her time. Students who wish to receive information about college may talk to the representative when he visits the guidance office.

Miss Mayhan administers test.

Library

Oooh, these Monday mornings!

10—9—8—7—6 . . .

One of the first requirements for a fine school is an adequate library. Hall's library, which is certainly more than adequate, fulfills all the requirements of the North Central Association. Books, magazines, newspapers, pamphlets, and other materials are provided to aid the pupil who is preparing assignments or reading for personal gain. The library provides an atmosphere that is conductive to concentration and study.

The intellectuals

I'm sorry, but the limit is four books.

You aren't accusing ME of keeping it overdue?

Student Assistants

In many areas of school activity, student assistants provide service for smooth operation. They help the teachers in the library, the bookstore, the registrar's office, the health room, the general office, the guidance office, and in the halls.

Cafeteria

The cafeteria is perhaps the favorite place of Hall's students. Here a variety of foods may be purchased. The students have the opportunity of either choosing a hot lunch or of buying a sandwich and soft drinks. Students may also supplement lunches brought from home. Mrs. Brawley is the cafeteria director.

Behind the scenes.

Features

Queens and crownings, dances and damsels, balls and beaux—Excitement and tension prevailed when homecoming time rolled around this year. The presentation of pretty girls dressed in white and the selection of Tommye Lou Vines as queen pleased all spectators at the ceremony. The Key Club-Kachina dance, at which Dianne Holley and Jerry Bass were crowned Key Club Sweetheart and Kachina Beau, was another eagerly awaited occasion. The final major event which occurred before our deadline was the Masque Ball, held on St. Patrick's Day. Prizes were given to those who wore the best decorated masks, and Jerry Bass and Neida Sewell were chosen Masque Ball King and Queen. These festive affairs are a few of the extras which glamorize the steady routine of the school year. Other highly anticipated events are the crowning of a Key Club Relays Queen, the Senior Prom, and graduation.

COMMANDING OFFICER
U.S.S. LITTLE ROCK (CLG-4)

February 2, 1962

Miss Linda Whiteside
% Mrs. Pat Williams
11 Mockingbird Lane
Little Rock, Arkansas

Dear Miss Whiteside:

After a hectic week of debate, comparison, voting and more voting I am pleased to be able to write that we have arrived at our choice of the top three queens for your year book.

As I suspected the job was a difficult one due to the individual beauty of each of the contestants. The voting was close for all positions, but so close for the fourth place selection that it was in fact a seven way tie.

To arrive at our decision we convened a board composed of two representatives from each division on the ship, as well as two officers and two chief petty officers. In a series of meetings these men finally reached the following verdict: First place--No. 4
Second place--No. 2
Third place--No. 10
Fourth place-- a seven way tie

Now that we have made our choice we want to thank you for giving us such a pleasant opportunity. It was a big morale factor for the entire ship, as indicated by everyone's preoccupation with the outcome. For days the area around the billboard where the pictures were displayed was an area of confusion.

In closing I would like to express my best wishes to you and all your classmates as you prepare for what I hope will be the commencement of a full and successful life.

Sincerely,

F. A. Chenault

U. S. S. LITTLE ROCK, winner of the Atlantic Fleet Cruiser Force Battle Efficiency "E" for the year 1961, was commissioned as a guided missile cruiser in June 1960. In February 1961, the missile cruiser was deployed to the Mediterranean for duty with the SIXTH fleet. During the seven month deployment, LITTLE ROCK visited fifteen major seaports in six countries. LITTLE ROCK was awarded the Battle Efficiency "E" for the Atlantic Fleet Cruiser Force on 26 July 1961. The ship also received the green "C" for communications, the green "E" for operations, and was given the award for the top gunnery department. On 6 October, LITTLE ROCK became flagship for Vice Admiral John McN. Taylor, Commander SECOND Fleet.

March of Dimes Assembly

The Student Council of Hall once again reached its goal of one dollar per person in the annual March of Dimes Assembly. The theme of the assembly was physical fitness, and this was demonstrated by members of the Little Rock YMCA and the Little Rock Air Force Base. Following these exhibitions, Coach Ray Peters began the traditional slave auction. Members of the football team and cheerleaders were auctioned. The assembly was one of the most exciting and charitable shows of the year.

Color Day

Color Day was held on Friday, November 10, 1961, this year to help promote school spirit for our football team. Everyone came to school dressed in orange and white. Prizes were given for the best decorated rooms and to the most appropriately dressed boy and girl.

Layne Mashburn won the prize for the most school spirit for his car.

My Three Angels

On March 1, 1962, the senior play cast captivated their audience with the delightful comedy, *My Three Angels,* by Sam and Bella Spewack. The play told the story of three convicts in French Guiana who enter the house of a family and help them solve some of their problems and, in turn, solve some of their own. The play was under the excellent guidance and supervision of Mr. Earl McCarroll.

"the demanding yet satisfying activities of our clubs and organizations . . ."

Organizations

Organizations provide the backbone for our school activities. In the Student Council legislative action is taken to improve student and faculty relations. The Inter-Club Council coordinates the projects of all the clubs. The National Honor Society and Beta Club bestow honor upon their members and render service for the school. Another service group is the Kachinas, who act as official hostesses at Hall. The Key Club is one of our largest and most active organizations. Key Clubbers sponsor dances, car washes, assemblies, and other worthwhile activities At the weekly meetings at the Chapel Club, students are given inspiration by visiting speakers. The Cheer-o-kee Club, composed of cheerleaders and the drill team, promotes school spirit by performing at athletic events and assemblies. The work done by these clubs is representative of the projects and activities of our many clubs and organizations.

Student Council

Each homeroom elects a representative to the Student Council, the legislative body of Hall High. These representatives plus the student body officers make up the membership of the Student Council. At the meetings, which are held every Tuesday at eight o'clock before school, they strive to build better relations between faculty and students and to create greater school spirit. Some of their projects this year were compiling a student directory; promoting school spirit by selling ribbons, rooter shakers, and beanies; packing boxes of favors for the football, basketball, and track players on the out-of-town games; planning homecoming; and sponsoring "Dad's Night." Mrs. Martha Manees is their faculty sponsor.

SEATED, left to right: Gerry Fuller, Secretary; Becky Rogers, Inter-Club Council; Jane Redheffer, Treasurer. STANDING, left to right: Wesley Clark, President; Steve Buchanan, Vice President.

The members of the Hall High Chapter of the National Honor Society are chosen for outstanding leadership, scholarship, service, and character. These students must have a B average, above average citizenship, and must have been at Hall High for six months. They are chosen from the top ten to fifteen per cent of the junior class in May. This year the members of the National Honor Society served as guides for night P.T.A. meetings and ushers at various programs and assemblies. The main club project has been a panel discussion on cheating which was presented to the sophomore students and parents. Dr. Woolard, Dean of Little Rock University, was a guest speaker at one of the meetings. The faculty sponsor is Miss Nancy Popperfuss.

New members are inducted.

Hall's Beta Club is a national leadership-service organization. To become a member the student must be of good character and commendable attitude. He also must maintain a B grade average. The Hall High Beta Club promotes honesty, service, and leadership among its students. A refreshment stand operated during basketball games is one of their biggest projects. Other Beta Club projects are the Activity Calendar, the Easter Seal assembly, and the sponsorship of Junior Beta Clubs. The sponsors of this club are Mrs. Nancy Bethell, Mrs. Martha Rogers, and Mrs. Virginia Walls.

Mickey McSwaine addresses the Beta Club.

President JON WILKES

Any student interested in science and scientific activities is eligible for membership in the Science and Engineers Club. The activities of this organization include lectures by prominent local scientists and engineers, tours of local cities of scientific interest, and annual trips to such places as the National Science Fair or the Smithsonian Institute. Programs are given to enable members to further their knowledge in the different fields of science and to help them understand the importance of science in life. Sponsors for this club are Mr. Robert Berry, Mr. Paul Akers, and Mr. Leonard Thalmueller.

Kachinas

Left to right: Carlee Hefner, Secretary; Gayle Gold, Treasurer; Jane Anne Critz, President; Cecilia Orr, Vice President; Ann Taxter, Historian; Marty Lewis, Program Chairman.

The Kachinas, the official hostesses of Hall High, is a girls' service club composed of junior and senior girls. The club meets every other Thursday morning before school for a business meeting or program. Their main projects this year include participating in Homecoming activities, sponsoring the Thanksgiving assembly, publishing a club handbook of all the active clubs at Hall, and decorating and serving at the Football banquet and Key Club banquet. The club is also active in decorating for various dances and helping other organizations carry out their programs. Mrs. Adgie Williams and Mrs. Marian Matthews are the faculty sponsors.

The Key Club is an international organization for junior and senior boys who possess outstanding leadership and character. Members must have a "C" average, high citizenship grades, and a teacher recommendation. The Key Club meets every other week to plan various projects such as the United Nations Assembly, a Vocational Guidance Booth, the Key Club-Kachina Sweetheart Dance, a car wash, the Key Club-Kiwanis Father and Son Banquet, and the formation of a new Key Club at Catholic High School. The Key Club has supported Hall by sponsoring several dances after football and basketball games, providing programs for all of the basketball games, contributing to school projects, helping with Christmas and Homecoming decorations, and selling pennants for the P.T.A. The Key Club published the *Keyway*, the Missouri-Arkansas District newspaper. This year our Key Club won a certificate of commendation from Key Club International. Mr. Paul Akers and Mr. Gene Hooks are the faculty sponsors.

The United Nations gets a thorough going over by Bill and Wesley.

The Hi-Y which was chartered late in the first semester is an organization for boys to create, maintain, and extend Christian influence in the school, home, and community. Due to the fact that the club has been formed only recently they have had little time for projects. Their plans for next year include: sponsoring bus trips, dances, and banquets; performing service projects for school and community; participating in athletic tournaments with other schools; and inviting guest speakers for meetings. The sponsor for the Hi-Y is Mr. James Earl.

The 1962 Marching Cheer-o-kees perform.

President MISSY ALFORD

Each spring, sophomore and junior girls tryout for membership in the Cheer-o-kee Club, which consists of the drill team, the senior varsity cheerleaders, and the junior reserve cheerleaders. The girls are judged on marching, poise, acrobatic ability, posture, cheering ability, and pep. Each girl must have a C average and no U's for the six weeks preceeding the tryouts. Many times during the year the girls meet before and after school to practice routines and cheers. The varsity cheerleaders cheer at football and basketball games and in pep assemblies. The reserves cheer in the stands, at B team games, at basketball games, and at pep assemblies. The drill team performs precision drill routines at pre-game and half-time periods at football games, participates in pep assemblies, and performs at the basketball games. The Cheer-o-kee Club sponsors pep assemblies, a Red Cross project, after-game dances, and sells megaphones for the games. The purpose of the club is to promote school spirit and enthusiasm and to encourage good sportsmanship at games. The faculty sponsors are Mrs. Baird and Mrs. Tinsman.

A new club formed this year at Hall High is the Young Democrats Club. The main purposes of this club are to encourage active participation in national, state, and local elections and to educate young people in the ideas and ideals of the Democratic party. Some of their plans for the year include debates with the Young Republican Club, attendance at state conventions, and participation in many activities with other Young Democrat Clubs in Arkansas.

President CHRIS POLYCHRON

The Republican Club is one of Hall's newest clubs. It was organized by Mr. Sam Kent in the fall. Its aims are to promote interest in the Republican Party and to inform young people on current affairs. Among the speakers the club has had is Mr. Pratt Remmel, a former mayor of Little Rock. They also heard recorded speeches of Senator Barry Goldwater and former Vice President Richard Nixon. Their activities this year included selling pins at the G. O. P. fund-raising dinner and attending other Republican Club meetings.

Hall Harlequin Players

Left to right: Jerry Hughes, Vice President; Jenny Coe, Historian; Jim Belford, President; Suzanne Smith, Secretary.

The members of the Hall Harlequin players are students in the drama and speech-drama classes. In the fall they present one act plays to the student body in a pay assembly; they also perform at some of the junior high schools, the Deaf School, and other places. The one act plays presented this year are "The Valiant," "Sunday Costs Five Pesos," and "The Lighthouse Keeper's Daughter." Much of the cast and crew of the senior play comes from this group, although the parts are open to the entire senior class. Mr. Earl McCarroll is the faculty sponsor.

Garland Forensics Society

Left to right: Bill Cobb, Treasurer; Matthew Timm, Secretary; Sammy Morgan, Historian; Bob Cearley, Vice President.

The purpose of the Garland Forensics Society is to organize forensic activities within and concerning the school. Consisting of active and associate members, it takes part in debates, public speaking, discussion, and oratory. Active membership is limited to seniors enrolled in public speaking classes, and associate membership is made up of interested juniors. The club has no regular meetings, but all members assist in debate clinics and tournaments, public speaking events, and oratorical contests. This year debate teams were sent to tournaments in Memphis, Austin, and Baylor University. Debates with Central and North Little Rock and the Optimist Oratorical Contest were sponsored by this group. Mrs. Margeurite Metcalf is their sponsor.

The assembly stage crew, sponsored by Mrs. Margeurite Metcalf, is one of Hall's most active service organizations. On the day of an assembly, play, or similar activity, they are required to be at school at 7:30 a.m. to begin the job of setting up screens, lights, scenery, and other props. The crew is divided into moring and afternoon sections in order to work more efficiently. Each section has a captain who is responsible for the work done and a checker who inspects the work.

Chapel Club

President MIKE RICE

Each Thursday morning at 8:10 a.m. a meeting is held of the Hall High Chapel Club. The membership is open to any member of the student body and all students are cordially invited to attend. The purpose of the Chapel Club is to promote the development of Christian character and ideals, and to help students apply Christian principles to their everyday life in school and at home. The club also sponsors projects such as the assistance given a needy family at Christmas. Guest speakers this year have been Mr. Gene Swepston, Reverend Kenneth Rhienhardt, Mr. Carl Ledbetter, and many other laymen and members of the club. Mrs. Wenonah Thompson is the faculty sponsor.

Left to right: Mike Rice, President; Gayle Cates, Vice President; Beverly Glover, Program Chairman; Brenda Craig, Inter-Club Council; Kaye Mobley, Secretary-Treasurer; Sharon Gannaway, Program Chairman.

President GENERAL PARKER

The American Red Cross is represented at Hall High by the chapter of the High School Red Cross. This organization is composed of representatives from each homeroom who meet before school the second Tuesday of each month. Once a month the group sends a representative to the County High School Red Cross meeting. The club sponsors a Red Cross Dance at Hall each year during Red Cross Week. The members also support many other service projects during the year. Miss Laura Pedersen is the faculty sponsor.

President KAYE MOBLEY

The Hall chapter of the Future Teachers of America is a recently organized club, the purpose of which is to promote interest in the field of teaching. The group meets twice a month after school to learn and discuss the teaching profession. The FTA has heard several guest speakers from different schools and colleges throughout the state. Some of their projects include a tour of the American Education Association building and a "teaching day" during which the members teach classes in different Little Rock schools. The faculty sponsors are Mrs. Akers Pence and Mrs. Nadine Marcum.

The *Inkwell* editorial staff, elected from the members of the senior honors English class, reads and chooses selections for Hall High's literary publication. Students of the sophomore, junior, and senior English classes are eligible to write and submit to the *Inkwell* staff all types of original composition, poetry, lyric and free verse, essays, short stories, and short themes. They are judged on the basis of originality, grammatical construction, and interpretation. *Inkwell* salesmen from the senior English classes comprise the associate staff. Faculty sponsors are Mrs. Aileen R. Henderson, Miss Nancy Popperfuss, and Mrs. Akers Pence.

Each year the juniors wishing to apply for membership on the annual staff submit their applications for the following year. They are judged by the previous year's staff and the faculty on the basis of citizenship, scholarship, and ability to work well with others. The *Warrior* staff work every day during school in place of a study hall and often on Saturdays and after school gathering information for the annual, making up pages, and selling ads. The *Warrior* is presented to the student body in an assembly in May. Mrs. Pat Williams is the sponsor.

Music

Our music department, which includes the WARRIOR band, Hallmarks, Cantantes, Hallaires, and the Gleemen, is a familiar facet of every Hall event. At least one of the groups performs for all important occasions. Besides the regular school performances, the music department gives its time to community service, in churches, P.T.A. meetings, and concerts. Talent and skill, plus a willingness to practice long hours, are necessary for participation in these organizations.

Every student remembers the thrill he received when he heard the band play "Cherokee" for the first time. The inspirational songs of gratitude at Thanksgiving, the traditional carols at Christmas time, the spirited music at pep assemblies and athletic events, and the nostalgic strains of "A Pledge to Hall" at graduation—these things will be reminders of the outstanding contributions made by the music department.

Hallmarks

The Hallmarks, the A Cappella Choir at Hall High School, is composed of 30 girls and 28 boys. This selected group performs at schools, assemblies, churches, civic clubs, the state Choral Festival, All-State Choir, and sometimes at joint performances with Central High. This year the choir participated in the presentation of the Christmas Cantata, "Herald Angel." The choir sings various types of music such as sacred, art, folk, and popular songs. Mrs. Mary Frances Thompson is the director.

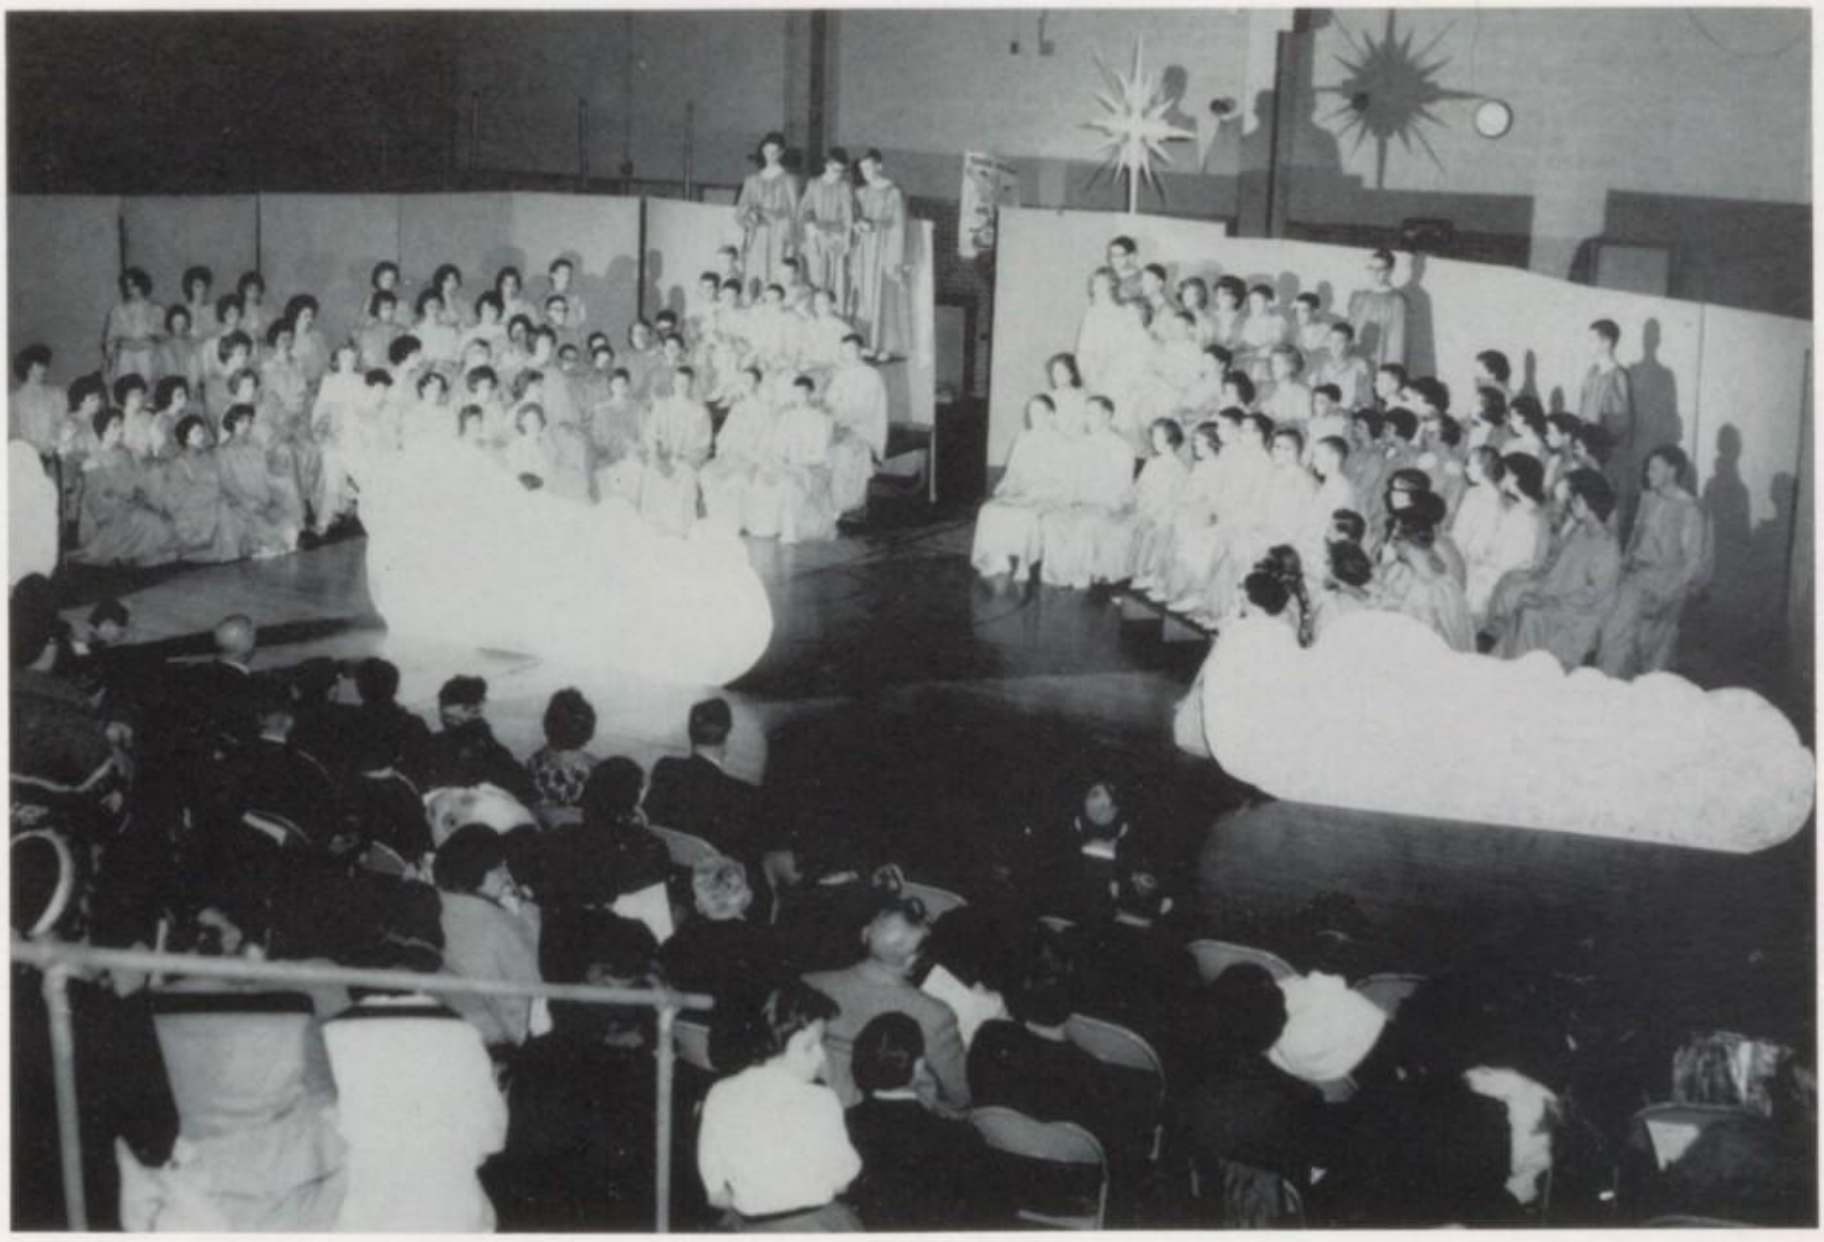
"Herald Angel"



On December 11, 1961, the Choral Music Department presented the production "Herald Angel" written by Mrs. Mary Francis Thompson. "Herald Angel" was written as Mrs. Thompson's thesis for her master's degree. It is a choral cantata for high school groups adapted from the book *Raphael, The Herald Angel* by David Appel and Merle Hudson. The singers were assisted by instrumentalists from the band.

Warrior Band

The 82 members of the 1961-1962 Warrior Band are under the direction of Mr. Merel Boyce. The band, which supported the Warriors at all home football games, followed the team to Texarkana and El Dorado. They also played at the State Basketball Tournament, which was held in Little Rock. The annual Winter Concert was presented in January and the Christmas Assembly at school. They marched in the Livestock Parade last September. The band plays for Assemblies at various junior high schools in Little Rock and gives an annual spring concert. Fourteen members of the band represented Hall in the All-State Band this year. At this year's graduation exercises, many of the members play together for the last time.

HALL 16

"the excitement as our athletic teams provide thrill upon thrill . . ."

Athletics

The Warriors, who are famous for dramatic victories in the closing minutes of athletic events, have taught their opponents that Hall doesn't stop trying until the clock completely runs out. In the Benton football game, the score was 7-6, Benton's favor, when Jerry Bass kicked a field goal with twelve seconds remaining to bring a thrilling win. Other unforgettable moments were a 55-yard Beard-to-Chafin pass in the Pine Bluff game, Paul Becton's 77-yard punt return in the NLR game, and Bert Chafin's 92-yard opening kickoff return in the Jacksonville game. The Warriors finished second in the Big Nine with a 6-2 record.

Exciting occurrences came as frequently in basketball as they did in football. The first important victory of the season came when Hall upset NLR in an overtime, 57-53. Another decisive victory occured in Blytheville when the Warriors edged out the Chicks, 51-49. Wayne Newton scored 24 points that night to set the season's record. The biggest victory of the year took place in El Dorado when Tommy Rowland sank a field goal in the final nine seconds to overcome the Wildcats 46-45 and give Hall its first Big Nine Co-championship and trip to the state tournament.

Bert Chafin carries in the Warriors' victory over North Little Rock.

WARRIORS 32, ROCKETS 0

The Warriors opened the 1961 football season and maintained their distinction of having never lost an opening game by blasting the Catholic High Rockets 32-0 in Quigley Stadium on September 7. The Hall starters ran up a 26-0 score at the half and turned the game over to the reserves. Bert Chafin, Tommy Ryan, Johnny Beard, and Johnny Romine scored touchdowns for the Warriors. Jerry Bass added two extra points.

Catholic High's deepest penetration of the night was to the Hall 30-yard line.

WARRIORS 28, TROJANS 6

Scoring in every quarter, Hall made its 1961 Big Nine debut a successful one by downing the Hot Springs Trojans 28-6 in Hot Springs on September 15. Johnny Beard ran for two touchdowns and passed to Jerry Bass for another tally. Donnie Dietz scored the other Warrior six-pointer. Bass booted four extra points.

Hot Springs tallied on a 60-yard pass play in the fourth quarter.

HALL 20, NORTH LITTLE ROCK 0

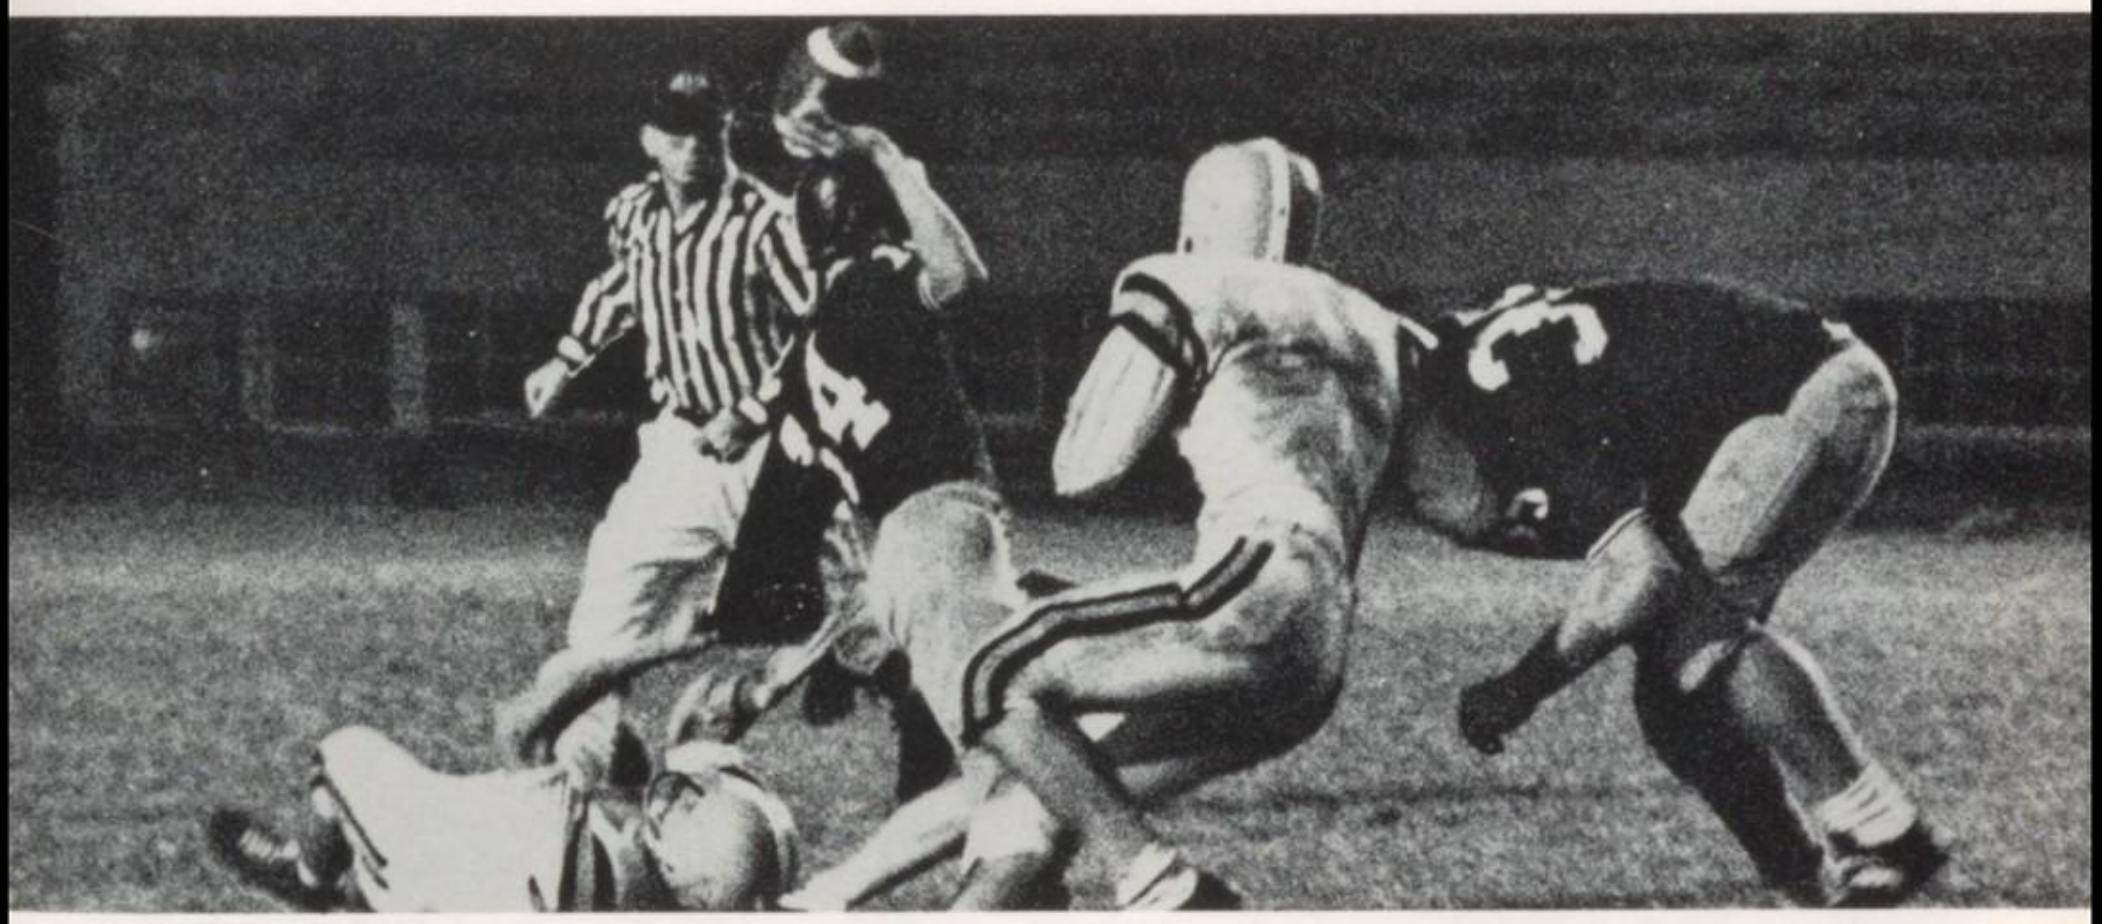
A stout defense and Paul Becton helped the Warriors defeat the North Little Rock Wildcats 20-0 on September 22 at North Little Rock. Becton scored by taking a 20-yard pass from Johnny Beard and returning a punt 77 yards. A Beard-to-Becton pass set up the first Hall touchdown, which was scored by Donnie Dietz on a short run. Jerry Bass converted after two of the Warrior scores.

HALL 34, TEXARKANA 6

The Warriors journeyed to Texarkana on September 29 and handed the Razorbacks a 34-6 shellacking. Hall ran up a 27-0 count at halftime and coasted the rest of the way. Johnny Beard pitched touchdown passes to Bert Chafin, Tommy Ryan, and Tommy Goad; Donnie Dietz and Jim Durbin scored the other Warrior tallies. Jerry Bass kicked four extra points.

Texarkana's touchdown came on a 21-yard fourth quarter pass.

Three Benton Panthers halt the Warriors' Johnny Beard as he advances deeper into Benton territory.



Bob Gilbert has Blytheville's quarterback, Nathan Austin, as Donnie Dietz rushes up to assist. Austin got off his pass, but it was intercepted by the Warriors' Carroll Bates who returned it 65 yards for the first Hall touchdown.

WARRIORS 13, CHICKS 6

An adamant defense and a 37-yard pass netted Hall a 13-6 decision over the Blytheville Chicks in Quigley Stadium on October 6. Carroll Bates scored the first Warrior touchdown by running 65 yards with an intercepted pass. Johnny Romine tossed the aerial to Paul Becton for the final Hall six-pointer. Jerry Bass added one point after.

Blytheville scored in the third quarter on a two-yard run.

WARRIORS 7, ZEBRAS 6

A 98-yard fourth quarter drive and an extra point by Jerry Bass produced a 7-6 Hall victory over Pine Bluff's Zebras on October 12 in Quigley Stadium. Pine Bluff jumped to a 6-0 lead in the third period on a 45-yard run with a fumble. Bass blocked the extra point attempt.

The big play in the Warriors' winning drive was a 55-yard pass from Johnny Beard to Bert Chafin. Beard passed 10 yards to Bass for the Hall touchdown.

On the game's final play, Bass blocked a Zebra field goal attempt.

HALL 9, BENTON 7

A field goal by Jerry Bass with 12 seconds left on the clock gave the Warriors a 9-7 victory over the Benton Panthers on October 20 before an overflow crowd at Benton. The Hall defense completely throttled the Panther offense, holding it to only 50 yards total offense. The Warrior touchdown was scored in the fourth quarter by Donnie Dietz on a 4-yard run. The conversion attempt was wide.

Benton scored on Tim Wright's 100-yard run with a Hall fumble on the final play of the first half.

HALL 7, FORT SMITH 39

After playing three demanding games in three successive weeks and having a rash of injuries, the Warriors dropped a 39-7 decision on homecoming to the Fort Smith Grizzlies.

Hall scored on a Johnny Beard-to-Paul Becton pass in the second period. Jerry Bass added the seventh point.

Fort Smith turned two blocked punts into decisive touchdowns.

Hall's Paul Becton plows into Fort Smith's Joe Jones as the Grizzly quarterback goes deeper into Warrior territory.

WARRIORS 40, RED DEVILS 26

Sparked by Bert Chafin's 92-yard return of the opening kickoff and 40-yard run for touchdowns, Hall rolled to a 40-26 victory over Jacksonville's Red Devils in Quigley Stadium on November 10. Reserves saw action as the Warrior starters ran up a 27-6 halftime edge. Tommy Ryan, Johnny Beard, Johnny Romine, and Johnny Darracott scored the other Hall touchdowns; Jerry Bass booted four extra points.

Jacksonville, led by Bernie Cox, scored one first half and three second half touchdowns.

WARRIORS 3, WILDCATS 14

Jerry Bass kicked Hall into a 3-0 first quarter lead with a 22-yard field goal, but they were the only Warrior points as the Injuns bowed to the El Dorado Wildcats 14-3 on November 17 in El Dorado. The Warriors never seriously threatened after their drive for the field goal.

Jerry Mooty and Chet Blackman accounted for the El Dorado points.

Hall's Donnie Dietz is upended by a Central player as he drives deeper into Tiger territory in the Thanksgiving Day contest.

Central's Don Hollingsworth is hauled down by Hall's Paul Becton as the Warriors' Donnie Dietz, Phil Carr, and Larry Churchill rush in to assist.

HALL 9, CENTRAL 6

In one of their best defensive games of the year, the Warriors crushed their crosstown rivals, Central's Tigers, 9-6. Jerry Bass's 24-yard third quarter field goal, following a 50-yard drive, provided the winning margin. Using an alert secondary defense and crunching tackling, Hall stopped the Tigers on every drive and generated a fine rushing offense led by Bert Chafin, Tommy Ryan and Donnie Dietz.

Paul Becton's pass interception on the Tiger 40 set up the Warrior touchdown. The drive was apparently stalled at the 12 when, on third and seven, Chafin, behind the fine blocking of Griff Keyes, got nine yards to the 3. Dietz banged into the end zone from about a foot out to chalk up the Hall six-pointer. The try for the extra point was wide.

The Warriors drove deep into Central territory after blocking a punt and recovering a Tiger fumble. Both of these threats ended when Bass field goal attempts, from difficult angles, were wide.

The Warriors finished the season with an outstanding 9-2 record. Hall ended the Big Nine Conference race with a 6-2 mark, tying the El Dorado Wildcats for second place.

Under the pile is the Warriors' Donnie Dietz scoring the Hall touchdown in the first quarter of the Central game.

We Are Grateful

Once again the *Warrior* Staff wants to thank the patrons of Hall High School, the merchants of the Greater Little Rock area, and Hall High groups and organizations who, by their sponsorship of the pages of this book, have made it possible.

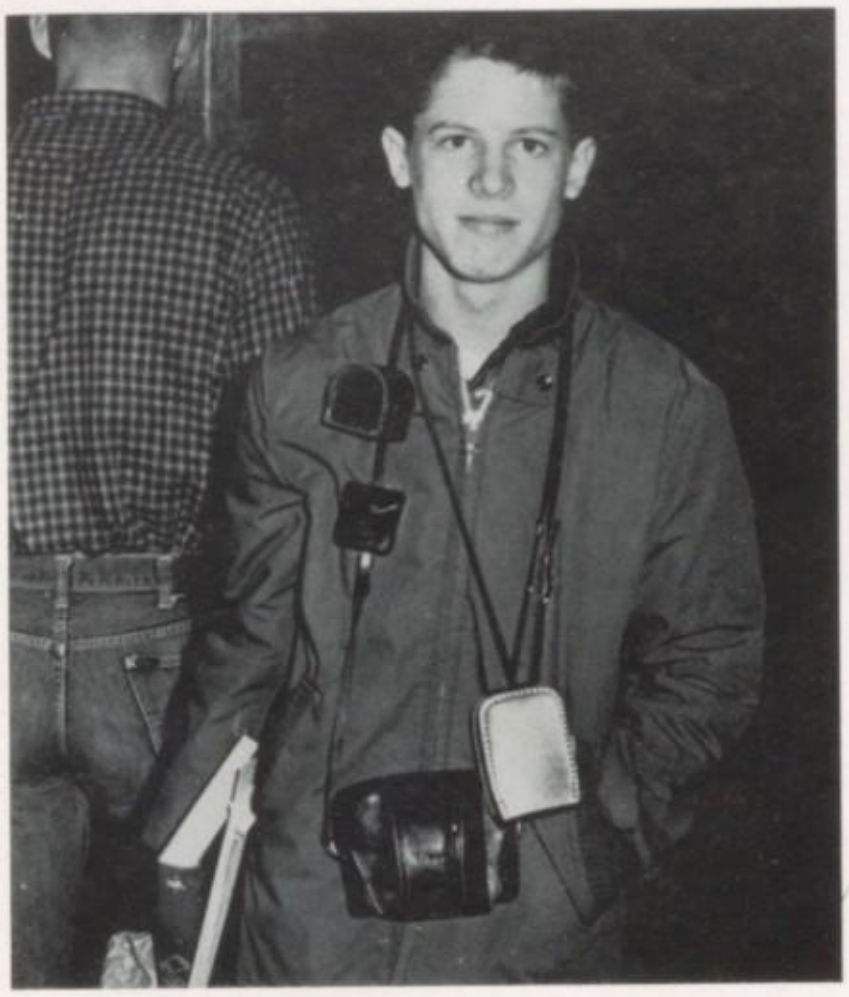
We are very grateful to Mr. Greer Lile for his kind cooperation and sacrifices of his own time to take the class, club, and beauty pictures, and for giving moral support to the staff. Our thanks also go to Mrs. Lile for her friendly assistance.

In addition to our gratitude to Mr. Lile, we want to thank the Arkansas *Gazette* for some of the action pictures in the sports section and Mickey Crist and Kim Stout for many of the activities and Who's Who snapshots. We also want to thank Mrs. Selma Wooley for the use of the Home Economics living room for taking individual and club pictures.

For their help in our sale, we want to thank the art department for the posters and the thirty-three homeroom salesmen who helped make our sale successful. The art department was also very helpful in submitting numerous attractive cover designs.

By lofty hills of stately pines . . .

It keeps the evil spirits away.



It's a rough life.

Who's the second blonde on the left?

The cooking isn't so bad—it's having to eat what you cook.

Before I graduate . . .

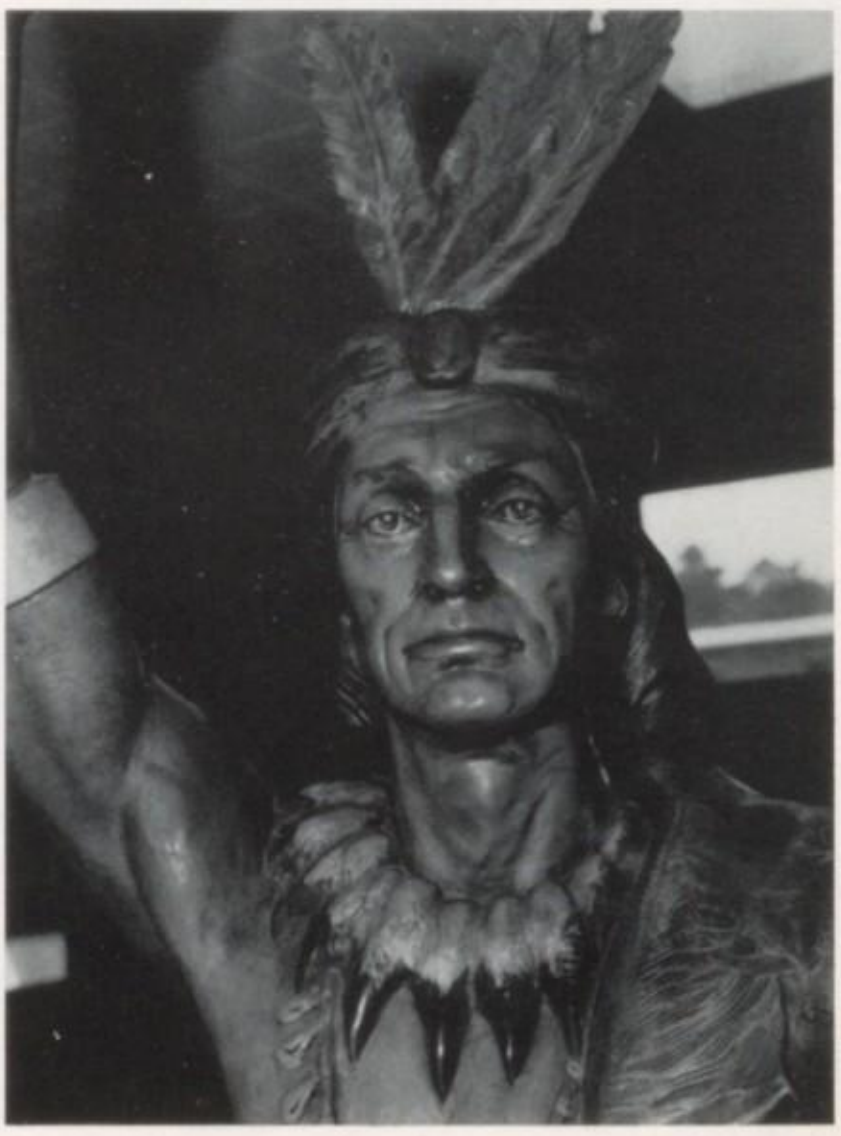
Hey, Bev, can't you read?

Sophomore, junior, senior—there's really not much difference.

Come on, class, look alive!

What's your problem, little boy?

Saturday is a good time for a shower.



Say "cheese" next time, Wakndah.

I was born this way—What's your excuse?

Well, Allen Funt, fancy meeting you here!

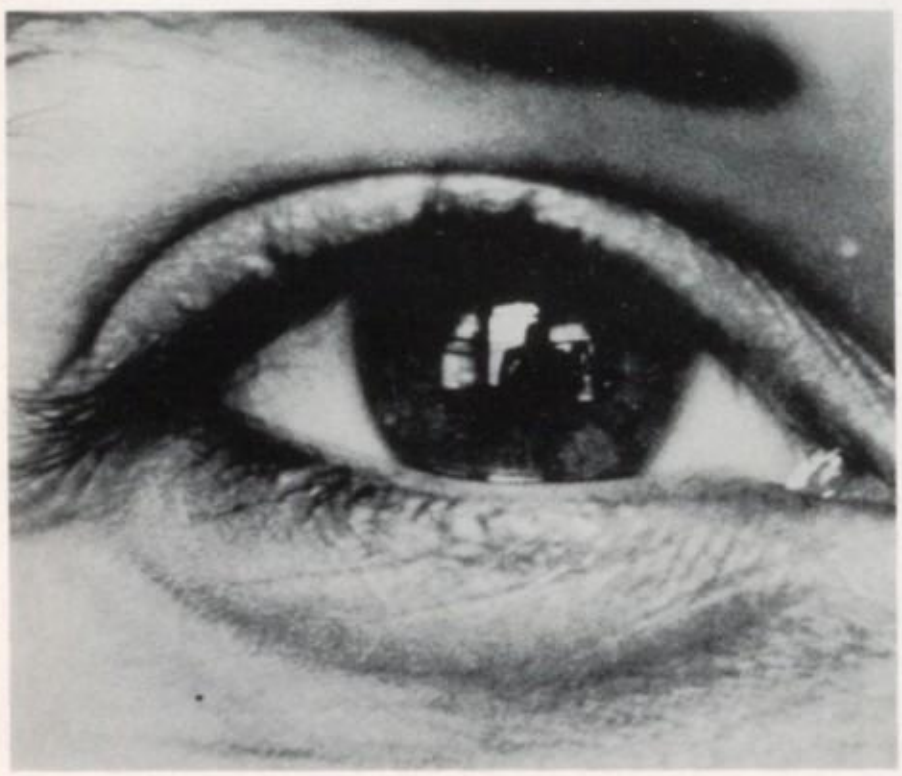
Caught in the act.

Now listen here, Colonel, just because you're bigger than I am . . .

CAR wash?

It is not the fault of your set—It's due to difficulties beyond our control.

Once and for all, the holes in the student parking lot WILL be fixed!



Big Brother is watching you.

These science fair projects are getting more complicated every year.

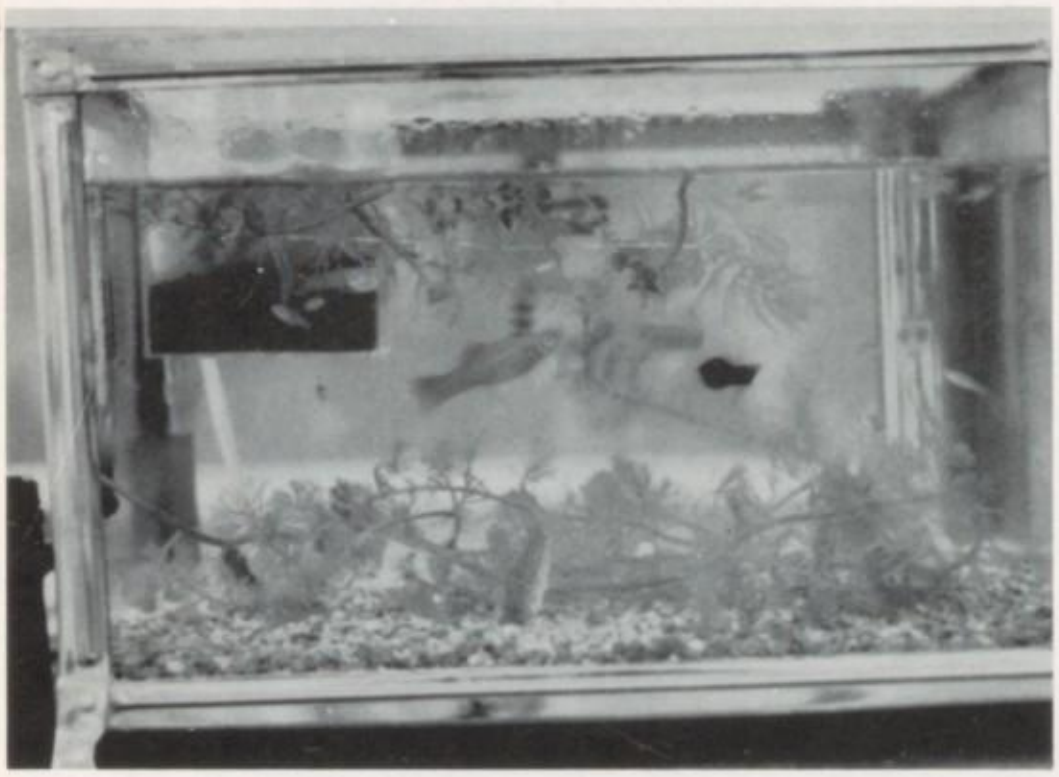
Aren't you a little old for bottles?

From left to right: Bunsen, Watt, Curie, and Ampere.

"Would you like sugar or cream?"

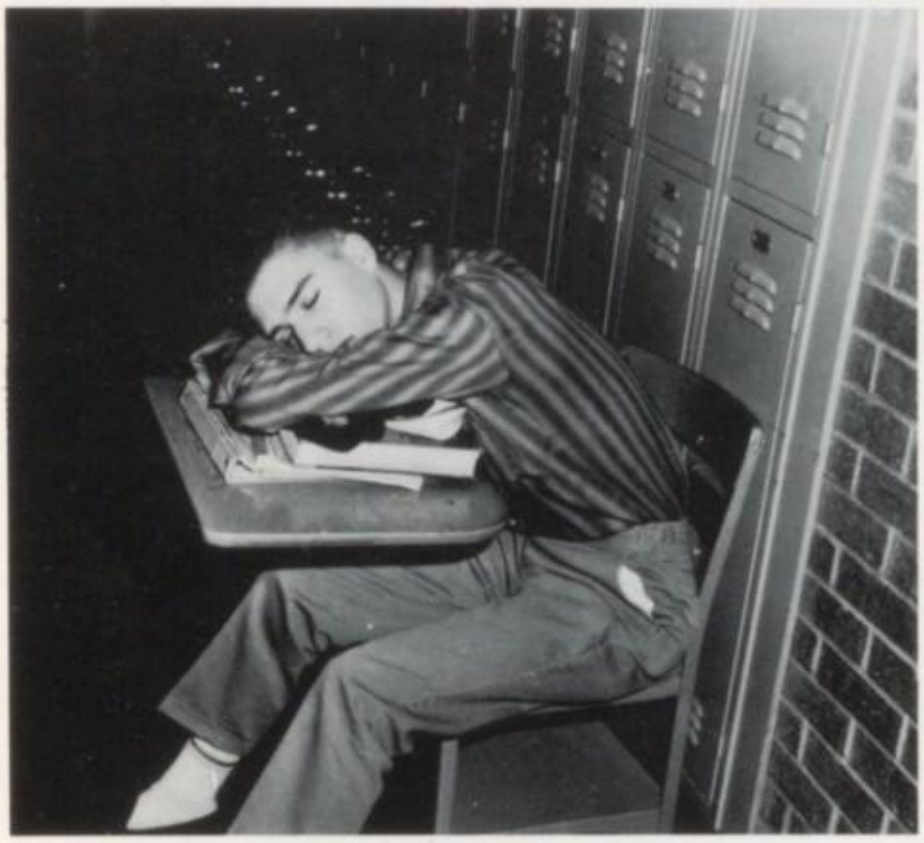
Going up?

Too good to be true!



Talk about a fishy school . . .

"You don't really have film in that camera . . . do you?"



An example of intellectual curiosity?

"Gerry, take this down."

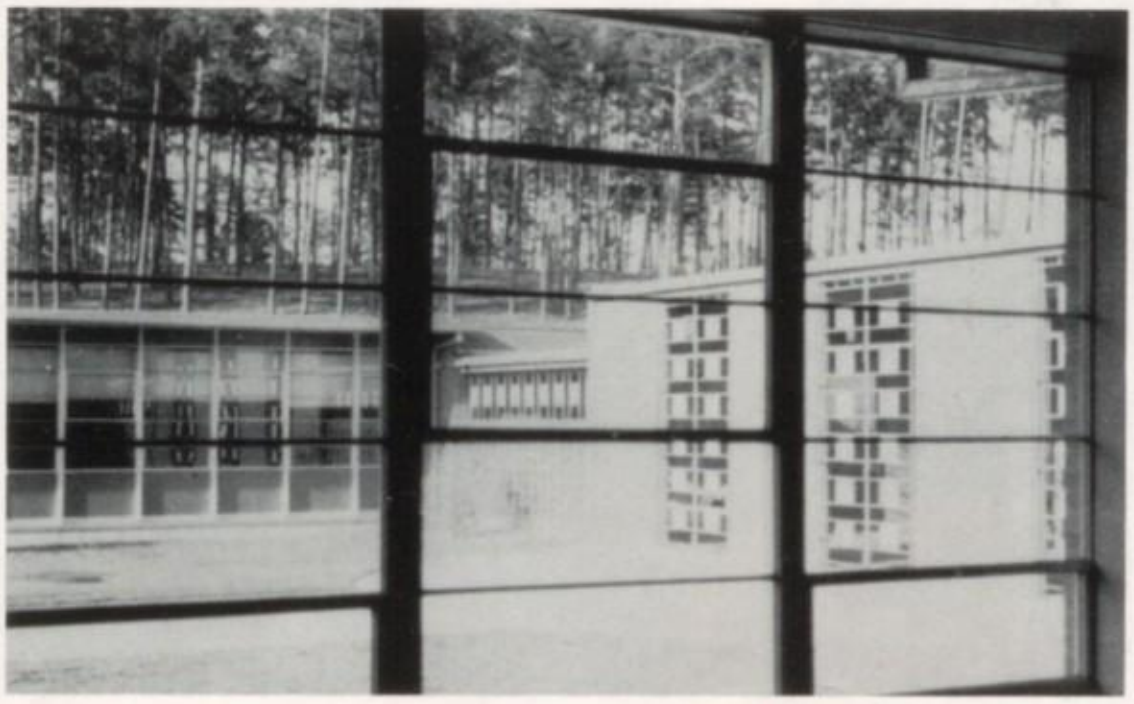
Washed your face lately?

"I didn't know how heavy this was until I volunteered."

Our "longhair" football team.

Our once a year day.

The salt mine.



A familiar sight for you window-gazers.

The vicious circle goes round and round.

"Well, do you believe me?"

"Mrs. Williams, we know it's deadline day, but PLEASE don't jump."
